THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved places in the state.

At this place are the walls and remains of a Forge and Shifting Mill, formerly carried on, the sites of which, and others on the same canal, are excellent for water works of various kinds. This property is on the north edge of the Rappahannock, within two miles of Fredericksburg and one of Falmouth; has peculiar advantages of water, and is well situated for the purchase of wheat, now the staple of the country, and of the last crop a large proportion yet to come to market.

Valuable Property for Sale.

The subscriber will dispose of that *Valuable Farm and Improvements*, which formerly belonged to old Major Rutter, containing 327 acres, (more or less) 140 whereof are covered with very heavy timber of various descriptions, distant from the city of Baltimore between 6 and 7 miles, and very convenient to the Falls Turnpike Road.—It may be advantageously divided into two equal parts, allowing to each a just proportion of the timber.

Also, another tract of Land and improvements, within about the same distance from the city, westerly, containing 352 acres (more or less) a small proportion whereof is cleared, the residue as heavily timbered as any land in Baltimore county.—On this tract there is an excellent situation for a Saw Mill, having a fall of 20 feet; the stream which runs through it, is thought sufficient to keep the mill employed about two-thirds of the year.

Also, a small tract of unimproved Land within 4 miles of the city, containing 45 acres (more or less) 2-3 whereof are covered with timber, the residue clear. This tract has the advantage of the New-Liberty road passing through the upper and cleared part of it, which renders it an eligible situation for a Public House.

Also, another small tract and improvement within 2 1/2 miles of the city, containing 2 acres (more or less) adjoining the country seats of Mr. John Carver and Job Smith, east and opposite to Mr. James Bryden's; it is beautifully situated, and has the advantage of 2 never-failing springs of water.

Also, a handsome 2 1/2 acre Lot, on Whetstone Point, fronting on the left side of the road leading to the Fort, and extending back to the river.

Also, a very spacious Lot of Ground and improvements, suitable on the corner of Fayette and North streets, containing on the former 66 feet, running and binding on the latter 155 feet to a public alley, leading into Howard-street—in fee.

Also, another spacious Lot of Ground, with all the improvements thereon erected, pleasantly situated on Duke-street, Philip's Hill, also in fee.

Also, for Sale or Lease, a Water Lot, fronting on Harrison-street 25 feet, and extending back to the channel 80 feet, completely wharfed in.

Also, on Lease for 99 years, renewable, several Lots of Ground situate on South Paca and Lombard-streets. Also, sundry other Lots adjoining the country seat of Doctor Arliten. The whole or any part of the above described property, will be disposed of on accommodating terms, for good paper, bearing interest.

WM. CLEMM.
