Mills for Sale.

THOSE highly reputed and valuable *Mills*, Buttermilk Falls, with thirty acres of land, situated on the Banks of Hudson river, state of New-York, and about sixty miles from the city. This property comprehends two Grist Mills, with five run of stones on the most modern and approved principle, together with a complete set of machinery, such as leevators for wheat and flour, conveyors, hopper-bags and kreens, agreeably to the latest improvements of Evans's system. The Bolting Cloths are new, and the whole in excellent repair. Also, a *Saw-Mill* and two *Dwelling-Houses*, commanding a beautiful and romantic view of the Hudson and West-Point; a *Coopers'-Shop* and *Dwelling*, together with other out-houses and conveniences necessary to render the establishment complete. Likewise, a fall of about thirty feet high, unoccupied, immediately above the present mills, extremely well calculated for a Paper-Mill, or any other factory, without in the least interfering with the other mills. The advantages attending this property are numerous, and of a nature which rarely characterize singular establishments. Situated in the vicinity of so important a market as New-York, and on so respectable a navigation as Hudson river, the only route for the produce of the Northern and Western World, a facility of purchasing the wheat at the mill, and of sending the produce to market, is here experienced to an extent which no other situation can boast of. From 40 to 50,000 bushels of wheat has been manufactured annually between March and January, and from 60 to 70,000 could with equal ease be ground were the winter season excluded, which of late years has been so mild that the interruption of the navigation has seldom been of long continuance.

The security and convenience of a sloop of any burthen lying so contiguous to the mill that the elevators discharge the cargo wherever the Miller wishes to deposite it, and the facility of loading the flour on board immediately from the Mill door, so materially diminishes labor and expedites business that one vessel will be found sufficient to serve the factory, and perform more than two ordinarily do in such employ.

Also, a Tract of 1000 acres of Land, situated about 60 chains from the above Mills, well covered with timber, on which is an excellent iron mine and through which the Buttermilk-Fall stream passes, affording several situations or erecting of iron works.

The estate will be sold on reasonable terms, and property in or near the city of Baltimore will be taken at a fair valuation for one half of the amount if required.

For terms apply to Charles Garts, in the city of Baltimore; or to David Lydig, merchant, New-York, by whom an indisputable title will be given

INSURANCES UPON LIVES,
By the Pelican Life Insurance Company,
OF LONDON.

THE Pelican Life-Insurance Company, of London, was established in the year 1797, by a numerous and respectable proprietary, upon an extensive capital, vested in the public funds, with the additional responsibility of every individual proprietor. The board of directors, in consequence of repeated applications on the subject, having determined to extend their engagements to the continent of *America*, deem it proper briefly to suggest to the minds of the public, the numerous and important benefits resulting from such an institution to every rank and class of society.

Persons in the receipt of income arising from estates dependent upon life—profits in business—offices, civil or military—by the yearly payment of a moderate premium, may secure at their death an adequate provision for their families, relations or friends. Fines payable on leases, renewable at the death of particular persons, may be provided for by insuring the lives of such persons. Insurance affords the means of reimbursement to those who advance money upon life-annuities, and in many cases furnishes ample security for the loan of money. Persons entitled to property in expectancy or reversion, or upon attaining a given age, may secure an equivalent, in case their interests should be affected by premature death In a variety of other instances, and most peculiarly as applicable to persons engaged in commercial pursuits, or in the enjoyment of casual income, this valuable precaution will establish a resource to which families may look with confidence and security, and by which the distresses too often attendant upon human life, may be alleviated or effectually prevented.

The Rates of Premium for such Insurances will be rendered as moderate as possible, and in every instance proportioned to the Age, Health, and other Circumstances of the Life assured.

Persons desirous of proposing Insurances, either upon their own Lives, or the Lives of others in which they are interested, or of obtaining further particulars and information, are requested to apply at the Phœnix Fire Office Second-street, where a list of the proprietors may be seen.

The Subscriber offers for Sale

The following TRACTS of LAND, lying in Allegany county, Maryland, viz.

1. "*Land flowing with milk and honey*," containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope*." This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes brough said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few arms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase. JAMES P. BOYD.
