THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved places in the state.

The sale will be made on the premises, on Wednesday, the 18th of February next, if fair, if not, on the first fair day thereafter, at 11 o'clock, in conformity to a decree of the high court of Chancery (the estate not admitting of a division among the representatives of the deceased); and the certainty which the subscriber feels, that those who are inclined to become purchasers, will view the premises before the day of sale, renders any further description of them unnecessary.

The purchase money must be paid, in four equal annual instalments, the purchaser giving bond with approved security for the payment of each instalment, with interest thereon, annually, from the day of sale. On the payment of the purchase money, with the interest thereon, a conveyance will be made to the purchaser, by the subscriber, in virtue of, and pursuant to, the said decree.

A NEW PAPER.

Proposals are now issuing for publishing a new paper on Fell's-Point, entitled **THE FEDERAL UNION.** The Editors do not conceive it necessary, in this place, to enter into an elaborate detail of their principles and object—let it suffice, that the "Federal Union" will be independent in its principles—that nothing will be written in exertion to render it worthy a liberal patronage. The Prospectus will be disseminated throughout the city, when an opportunity will be afforded the public for the exercise of their unbiased judgement.

CONDITIONS.

It is our intention to issue the "FEDERAL UNION," at the commencement, on Mondays, Wednesdays and Fridays—but if a competent patronage is offered, a DAILY Paper will be published as soon after arrangements can be made. The price to subscribers will be five dollars per annum—No MONEY WILL BE REQUIRED UNTIL THE EXPIRATION OF SIX MONTHS. A person is appointed by the Editors, who will wait on the citizens as soon as the Prospectus shall have been distributed. It is proposed to issue the paper, as soon as a sufficient number of subscribers are obtained to warrant it.

Spanish Consul's Office.

BALTIMORE, 7th February, 1807. THE undersigned, his Catholic Majesty's Consul for the state of Maryland, makes known to all whom it does or may concern, that by an official communication he has received from the Intendant General of the Island of Cuba, dated Havana, 2d January, 1807, enclosing his late decree of 24th December, 1806, he is instructed to notify in the most public manner, all merchants and others interested, that the intendan's former decree of 3d July, 1805, (which requires the invoices and manifests of all goods imported from neutral ports into those of the Island of Cuba, should be duly certified by the consuls or vice consuls of His Catholic Majesty) has not been generally observed; in order to do away every pretext, and have no room for supposing a relaxation therein, because a strict compliance therewith has unaccountably been in some instances dispensed with: And the said regulations should not be considered as arbitrary, oppressive or novel, but as an essential and positive determination emanating from the general government; the intendan aforesaid to insure its strict observance in future has now decreed that from and after the first day of March next, all shipments made in neutral ports, for any of the ports of the Island of Cuba existing after said first day of March, must be provided with statements or invoices, containing an individual and detailed relation of the number, weight, measure, quality and value to the goods or effects constituting the cargo of such ships; and making particular mention of the port of said Island to which they are bound; which invoices must absolutely be duly notified by the Consuls or Vice Consuls of His Catholic Majesty residing therein; and nrs to be deposited at the respective custom-houses of the ports of said Island; with this circumstance, that whatever goods, wares, or merchandise, found on board any vessel, not accompanied with its correspondent invoice certified by the consuls aforesaid or otherwise included and particularly expressed therein, shall be seized and confiscated without appeal.
