All the above Lands are of the first quality, abounding with the timber, such as wild Cherry, Black Walnut, and Locust; and has produced upwards of eighty bushels of Corn to the acre.

Also, His property in Washington County, Maryland, &c. &c. 58 acres in Washington County, state of Maryland, about four miles from Hancock-Town, well improved. 30 acres near the above, adjoining the lands of John Flint. 70 acres lying in Prince George's county, about three or four miles from the Eastern Branch, this tract abounds with heavy timber, and although the soil is but thin, the wood makes it very valuable, so near the City of Washington.

One, 2 1/2-story Brick HOUSE, near the court-house in Hager's town, well finished, with necessary back buildings; 1 framed 2-story do. adjoining the former, with the advantage of a 12 feet alley, well situated for a business, and where a store has been kept for many years; the lot belonging to said property is upwards of two hundred feet deep. Also, 350 acres lying in Washington county, near Isaac Bechtel's mill, and about three miles from the river Potomac; this tract is well calculated for a stock Farm, having a very extensive range; there are two good springs on it, and a small stream runs through it, from which much valuable meadow might be made. It has the advantage of a ridge of heavy fine timber, and within a small distance of several saw mills; about seven or eighty acres of cleared Land, and two Tenements on the premises. Any person wishing to purchase any of the Ohio Lands, by applying to John Lee, Wheeling, will be shown the premises, and get any information they may require; and those wishing to contract for any other of the described property, will please apply to William Lee, Baltimore, who will likewise give any information required.

Mills for Sale.

THOSE highly reputed & valuable Mills, Buzark Falls, with thirty acres of land, situated on the Banks of Hudson river, state of New-York, and about sixty miles from the city. This property comprehends two Grist Mills, with five run of stones on the most modern and approved principle, together with a complete set of machinery, such as elevators for wheat and flour, conveyors, hoppers and bins, agreeably to the latest improvements of Evans's system. The Boiling Cloths are new, and the whole in excellent repair. Also, a Saw-Mill and two Dwelling-Houses, commanding a beautiful and romantic view of the Hudson and West-Point; a Coal-Shop and Druggery, together with other out-houses and conveniences necessary to render the establishment complete. Likewise, a fall of about thirty feet high, unoccupied, immediately above the present mills, extremely well calculated for a Paper-Mill, or any other factory, without in the least interfering with the other mills. The advantages attending this property are numerous, and of a nature which rarely characterize singular establishments. Situated in the vicinity of so important a market as New-York, and on so respectable a navigation as Hudson river, the only route for the produce of the Northern and Western World, a facility of purchasing the wheat at the mill, and of sending the produce to market, is here experienced to an extent which no other situation can boast of. From 40 to 50,000 bushels of wheat has been manufactured annually between March and January, and from 60 to 70,000 could with equal ease be ground were the winter season excluded, which of late years has been so mild that the interruption of the navigation has seldom been of long continuance.

The security and convenience of a sloop of any burthen lying so contiguous to the mill that the elevators discharge the cargo where the Miller wishes to deposit it, and the facility of loading the flour on board immediately from the Mill door, so materially diminishes labor and expedites business that one vessel will be found sufficient to serve the factory, and perform more than two ordinarily do in such employ. Also, a Tract of 1000 acres of Land, situated about 60 chains from the above Mills, well covered with timber, on which is an excellent iron mine and through which the Buttermilk-Fall stream passes, affording several situations for erecting of iron works. The estate will be sold on reasonable terms, and property in or near the city of Baltimore will be taken at a fair valuation for one half of the amount if required. For terms apply to Charles Garts, in the city of Baltimore, or to David Lydig, merchant, New-York, by whom an indisputable title will be given. November 24.
