Federal Gazette & Baltimore Daily Advertiser.

Seven Dollars per Annum.] FRIDAY, *FEBRUARY* 13, 1807. [Vol. XXVI—No. 3971.

Sale by Auction.

The real estate of Dr Robert Pottenger, deceased, lying in Prince George's county, and state of Maryland, about five miles from Queen Anne, and twenty from George-Town; containing between eight hundred and a thousand acres of land.

THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved places in the state.

The sale will be made on the premises, on Wednesday, the 18th of February next, if fair, if not, on the first fair day thereafter, at 11 o'clock, in conformity to a decree of the high court of Chancery (the estate not admitting of a division among the representatives of the deceased); and the certainty which the subscriber feels, that those who are inclined to become purchasers, will view the premises before the day of sale, renders any further description of them unnecessary.

The purchase money must be paid, in four equal annual instalments, the purchaser giving bond with approved security for the payment of each instalment, with interest thereon, annually, from the day of sale. On the payment of the purchase money, with the interest thereon, a conveyance will be made to the purchaser, by the subscriber, in virtue of, and pursuant to, the said decree.

Forgery! Forgery! Forgery!

SUCH Gentlemen as wish to be furnished with the trial of GERARD VON HARTEN, late of Baltimore city, merchant, are requested to leave their address at KEATINGE's Book-store, where they will be informed of the time and manner of publication.

This trial is not only interesting, but is in itself a *curiosity*, exhibiting the ingenuity of legal sophistry, the cunning of unprincipled men, and a connection of villainy and fraud, unparalleled on the records of any court of justice; in which, the *lawyer* will find some assistace to his logical researches—the *merchant* a precedent which may steer him from the rocks of duplicity, speculation and hypocrisy—while the *swindler* is furnished with a delicate olio prepared for him, at the expence of every moral virtue; at the same time he is legally instructed *how to get Money!* and make the extent of his villainy in procuring it, the means of his acquittal or evading the force of the law, by frittering away and delaying the voice of justice.

A NEW PAPER.

Proposals are now issuing for publishing a newspaper on Fell's-Point, entitled

THE FEDERAL UNION.

The Editors do not conceive it necessary, in this place, to enter into an elaborate detail of their principles and object—let it suffice, that the "Federal Union" will be INDEPENDENT in its principles—that nothing will be wanting in exertion to render it worthy a liberal patronage. The Prospectus will be disseminated throughout the city, when an opportunity will be afforded the public for the exercise of their unbiassed judgement.

CONDITIONS.

It is our intention to issue the "FEDERAL UNION," *at the commencement*, on Mondays, Wednesdays and Fridays—but if a competent patronage is offorded, a DAILY Paper will be published as soon after as arrangements can be made.

The price to subscribers will be *five dollars* per annum—NO MONEY WILL BE REQUIRED UNTIL THE EXPIRATION OF SIX MONTHS

☞ A person is appointed by the Editors, who will wait on the citizens as soon as the Prospectus shall have been distributed.

It is proposed to issue the paper, as soon as a sufficient number of subscribers are obtained to warrant it.

PROSPECTUS

Of a Daily Newspaper, to be published on Fell's Point, entitled

FELL'S-POINT

COMMERCIAL ADVERTISER.

THE editors of this paper having received flattering support from some of the most respectable men on Fell's-Point, and presuming on the patronage of their fellow-citizens generally, have been induced to throw themselves upon the generosity of an enlightened public for encouragement. From the many obvious advantages to be derived from such an establishment as is contemplated by the editors, they entertain the most sanguine expectations of success.

It is intended their paper shall be dedicated chiefly to the interests of the commercial part of the community. As they will have advantages which no other printers in the city of Baltimore can possibly possess, in the obtaining marine intelligence, their paper cannot fail of being interesting to the merchant.

Correspondences will be established on a permanent footing with men of intelligence and opportunity, in different parts of the U. States, and, should sufficient encouragement be offered, in Europe, by which they will obtain the latest and most important information without delay; in short, every exertion that lies in their power will be made to render the "*Commercial Advertiser*," interesting and amusing.

They do not deem it necessary to give a detail to the reader of their political opinions; for whatever political sentiments they may privately profess, the promulgation of them through a public print, they conceive, could produce no beneficial effect either to the reader or to themselves:—they are anxious for the prosperity of the U. States; and whilst the sentiments of their hearts are favorable to the Union, their minds shall never be swayed by the bickerings of political demagogues. To preserve their paper free and uncontaminated from the ebullitions of partizans, will be their peculiar study. To miscellaneous productions, and disquisitions on subjects which may be productive of utility, couched in a decent style, free access will be given to their columns—but communications injurious to the reputation of individuals, will always be rejected.

As the editors are the *first* who have ventured on an establishment of this nature for some time past at Fell's-Point, they feel concious that the fostering aid of its citizens will be extended towards them with cheerfulness—and that their establishment will not be permitted to dwindle into nothing from the want of the the patronage of their fellow-citizens. Fell's-Point has now become too populous, too wealthy, and too respectable, to be entirely dependent on the town for all the printing which it requires—They are confident that few could be found who would not rather contribute to the support of a paper in the midst of them, dedicated to their interest, and offering so many advantages as the present does, than be subject to the inconvenience of walking near a mile for all printing requisite for their use—Besides the inconveniences which will be removed, the boast of supporting a paper of their own, we are persuaded, would have no inconsiderable weight in the minds of their fellow-citizens of Fell's Point.

They consider it as quite unnecessary to dilate upon their own capacities—trial alone will be sufficient to convince their patrons of the correctness or incorrectness of their pretensions. A long and steady application to their business, emboldens them to come forward with confidence, pledging themselves to execute whatever a generous public may be pleased to favor them with, in a style of workmanship and correctness of judgment, not inferior to any other office in Baltimore.

JOHN WANE.
ALEXANDER LUCAS.

TERMS.

The *Fell's-Point Commercial Advertiser* shall be printed on a royal size paper, with good materials.

The price to subscribers will be *seven dollars* per annum, payable half yearly. The paper will be issued as soon as arrangements can be made.

☞ The citizens will be waited on in a few days for their signatures.

N. B. Subscriptions received at Pamphilion's Hotel, at the Merchant's Coffee-House, and at George Dobbin and Murphy's Book-store.
