Seven Dollars per Annum.]

MONDAY, FEBRUARY 16, 1807.

[Vol. XXVI—No. 3973.]

Sale by Auction.

The real estate of Dr. Robert Pottenger, deceased, lying in Prince George's county, and state of Maryland, about five miles from Queen Anne's, and nearly from George Town; consisting of about eight hundred and a thousand acres of Land.

THIS valuable Property is situated in the heart of that rich and well known tract of country, called the Forest of Prince George's, and is indisputably among the most fertile and best improved places in the state.

The sale will be made on the premises, on Wednesday, the 18th of February next, if fair, if not, on the first fair day thereafter, at 11 o'clock, in conformity to a decree of the high court of Chancery (the estate not admitting of a division among the representatives of the deceased); and the certainty which the subscriber feels, that those who are inclined to become purchasers, will view the premises before the day of sale, renders any further description of them unnecessary.

The purchase money must be paid, in four equal annual instalments, the purchaser giving bond with approved security for the payment of each instalment, with interest thereon, annually, from the day of sale. On the payment of the purchase money, with the interest thereon, a conveyance will be made to the purchaser, by the subscriber, in virtue of, and pursuant to, the said decree.

PROSPECTUS

Of a Daily Newspaper, to be published on Fell's Point, entitled
"FELL'S-POINT
COMMERCIAL ADVERTISER."

THE editors of this paper having received flattering support from some of the most respectable men of Fell's-Point, and presuming on the patronage of their fellow-citizens generally, have been induced to throw themselves upon the generosity of an enlightened public for encouragement. From the many obvious advantages to be derived from such an establishment as is contemplated by the editors, they entertain the most sanguine expectations of success.

It is intended their paper shall be dedicated chiefly to the interests of the commercial part of the community. As they will have advantages which no other printers in the city of Baltimore can possibly possess, in the obtaining marine intelligence, their paper cannot fail of being interesting to the merchant.

Correspondence will be established on a permanent footing with men of intelligence and opportunity, in different parts of the U. States; and, should sufficient encouragement be offered, in Europe, by which they will obtain the latest and most important information without delay; in short, every exertion that lies in their power will be made to render the "Commercial Advertiser," interesting and amusing.

They do not deem it necessary to give a detail to the reader of their political opinions; for whatever political sentiments they may privately profess, the promulgation of them through a public print, they conceive, could produce no beneficial effect either to the reader or to themselves—they are anxious for the prosperity of the U. States; and whilst the sentiments of their hearts are favorable to the Union, their minds shall never be swayed by the bickerings of political demagogues. To preserve their paper free and unobscured from the ebullitions of partizans, will be their peculiar study. To miscellaneous productions, and disquisitions on subjects which may be productive of utility, couched in a decent style, free access will be given to their columns—but communications injurious to the reputation of individuals, will always be rejected.

As the editors are the first who have ventured on an establishment of this nature for some time past at Fell's-Point, they feel conscious that the fostering aid of its citizens will be extended towards them with cheerfulness—and that their establishment will not be permitted to twindle into nothing from the want of the patronage of their fellow-citizens. Fell's-Point has now become too populous, too wealthy, and too respectable, to be entirely dependent on the town for all the printing which it requires.—They are confident that few could be found who would not rather contribute to the support of a paper in the midst of them, dedicated to their interest, and offering so many advantages as the present does, than be subject to the inconvenience of walking near a mile for all printing requisite for their use.—Besides the inconveniences which will be removed, the boast of supporting a paper of their own, we are persuaded, would have no inconsiderable weight in the minds of their fellow-citizens of Fell's-Point.

They consider it as quite unnecessary to dilate upon their own capabilities, as they will be sufficient to convince their patrons of the correctness or incorrectness of their pretensions. A long and steady application to their business, emboldens them to come forward with confidence, pledging themselves to execute whatever a generous public may be pleased to favor them with, in a style of workmanship and correctness of judgment, not inferior to any other office in Baltimore.

JOHN WANE,
ALEXANDER LUCAS.

TERMS.
The Fell's-Point Commercial Advertiser shall be printed on a royal size paper, with good materials.
The price to subscribers will be seven dollars per annum, payable half yearly. The paper will be issued as soon as arrangements can be made.

The citizens will be waited on in a few days for their signatures.—They are confident that few could be found who would not rather contribute to the support of a paper in the midst of them, dedicated to their interest, and offering so many advantages as the present does, than be subject to the inconvenience of walking near a mile for all printing requisite for their use.—Besides the inconveniences which will be removed, the boast of supporting a paper of their own, we are persuaded, would have no inconsiderable weight in the minds of their fellow-citizens of Fell's-Point.

A NEW PAPER.

Proposals are now issuing for publishing a newspaper on Fell's-Point, entitled
"THE FEDERAL UNION."

The Editors do not conceive it necessary, in this place, to enter into an elaborate detail of their principles and object—let it suffice, that the "Federal Union" will be INDEPENDENT in its principles—that nothing will be wanting in exertion to render it worthy a liberal patronage. The Prospectus will be disseminated throughout the city, when an opportunity will be afforded the public for the exercise of their unbiased judgement.

CONDITIONS.
It is our intention to issue the "FEDERAL UNION," at the commencement, on Mondays, Wednesdays and Fridays—but if a competent patronage is afforded, a DAILY Paper will be published as soon after as arrangements can be made.

The price to subscribers will be five dollars per annum—NO MONEY WILL BE REQUIRED UNTIL THE EXPIRATION OF SIX MONTHS. A person is appointed by the Editors, who will wait on the citizens as soon as the Prospectus shall have been distributed.

It is proposed to issue the paper, as soon as a sufficient number of subscribers are obtained to warrant it.

Valuable Property for Sale.

The subscriber will dispose of that Valuable Farm and Improvements, which formerly belonged to old Major Rutter, containing 327 acres, (more or less) 140 whereof are covered with very heavy timber of various descriptions, distant from the city of Baltimore between 6 and 7 miles, and very convenient to the Falls Turnpike Road.—It may be advantageously divided into two equal parts, allowing to each a just proportion of the timber.

Also, another tract of Land, and improvements, within about the same distance from the city, westerly, containing 533 acres (more or less) a small proportion whereof is cleared, the residue as heavily timbered as any land in Baltimore county.—On this tract there is an excellent situation for a Saw Mill, having a fall of 20 feet; the stream which runs through it, is thought sufficient to keep the mill employed about two-thirds of the year.

Also, a small tract of unimproved Land within 4 miles of the city, containing 45 acres (more or less) 2-3 whereof are covered with timber, the residue clear. This tract has the advantage of the New-Liberty road passing through the upper and cleared part of it, which renders it an eligible situation for a Public House.

Also, another small tract and improvement, within 2-1/2 miles of the city, containing 34 acres (more or less) adjoining the country seats of Mr. John Carrere and Job Smith, esq., and opposite to Mr. James Bryden's; it is beautifully situated, and has the advantage of 2 never-failing springs of water.

Also, a handsome 2-1/2 acre Lot, on Whetstone Point, fronting on the left side of the road leading to the Fort, and extending back to the river.

Also, a very spacious Lot of Ground and improvements, suitable to the corner of Fayette and North-streets, containing on the former 66 feet, running and binding on the latter 155 feet to a public alley, leading into Howard-street—in fee.

Also, another spacious Lot of Ground, with all the improvements thereon, pleasantly situated on Duke-street, Philip's Hill, also in fee.

Also, for Sale or Lease, a Water Lot, fronting on Harrison-street 25 feet, and extending back to the channel 80 feet, completely wharved in.

Also, on Lease for 99 years, renewable, several Lots of Ground situate on South Paca and Lombard-streets. Also, sundry other Lots adjoining the country seat of Doctor Aitken. The whole or any part of the above described property, will be disposed of on accommodating terms, for good paper, bearing interest.

WM. CLEMM,
Mount Prospect, 3-1/2 miles from the city.
