The Subscriber offers for Sale

The following TRACTS of LAND, lying in Allegany county, Maryland, viz.

1. "*Land flowing with milk and honey,*" containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expence. The Grist mill is three stoies high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs.

4. "*Cornucopia*". This tract contains 1100 acres, and is the residence of Mr. Dan. Gran) The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes hrough said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few arms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.

THAT noted and desirable MILL SEAT, adjoining the Aquia Warehouse and town of Wookstock, immediately upon the stage road leading from Alexandria to Fredericksburg, being at the head of tide water, on Aquia Creek, in Stafford county, state of Virginia, where a Mill is greatly wanted, for the accommodation of the town & neighborhood (exclusive of an extensive back country, peculiarly adapted to the raising of wheat, their staple commodity) being no vent for the sale of their wheat to advantage, without shipping it to Alexandria, Baltimore and other seaport markets.

My necessity and inability to improve the seat and build thereon, are the sole reasons for selling this valuable property; my wish, therefore, is to sell to some person well versed in the Milling business, on the modern plan, whose inclination and ability will induce them to improve it immediately. To such a character the terms of sale will be made easy and accommodating.
