The Subscriber offers for Sale

The following TRACTS of LAND, lying in Al-
legany county, Maryland, viz:

- 1. "Land flowing with milk and honey,"
containing the whole about 2747 acres. A great
proportion of this tract is in natural meadow,
which is intersected by a number of small riv-
ulets; the remainder is heavily timbered,
and well adapted to the raising of small grain.
It lies about forty miles to the south-west of Fort
Cumberland; is on the waters of the Great
Youghiogony, and about 4 miles distant from
the main road leading through Virginia to the
western country. The same is divided into
small tracts, comprising from 300 to 400 acres
each, to suit purchasers.
2. "Good Hope." This tract lies contigu-
ous to the "Land flowing with milk and hon-
ey," and contains 389 acres, 120 whereof are
natural meadow, the residue is heavily timbered,
and in the certificate is described "as
the first quality land."
3. "Clover Bottom." This tract contains 1100
acres, and is the residence of Mr. Dan. Grant.
The improvements are, a large and comfort-
able dwelling-house, and an extensive barn
with stabling underneath; a young thriving
orchard, and about 100 acres of cleared land
under good fencing. Braddock's road passes
through said farm, which makes it an eligi-
ble stand for a public house, being about
twenty-two miles from Fort Cumberland. Few
farms in Maryland, the same distance from
Baltimore, are more valuable than this. It is
of the first quality of soil, heavily timbered,
and nearly the one half of it well adapted to
timothy meadow; the residue equally well
adapted to the raising of wheat, rye, oats, &c.
The one-fifth of the purchase money will be
required in hand, the residue in five annual
payments. Mr. Grant will show the above land
to any person who should be inclined to pur-
chase.
