A WORK THAT OUGHT TO BE IN POSSESSION
OF EVERY MAN.
THE LIFE OF
GEN. WASHINGTON,
By JOHN MARSHALL, Chief Justice of the
United States.
Complete in 5 vols. 8vo. with an elegant Por-
trait, and a variety of Maps; is now ready for
subscribers, and for sale, by
GEORGE HILL.
The following remarks from a late London
publication, attest the high opinion entertain-
ed of this *authentic and interesting work*:
"The public will learn with interest that
the literary monument which has long been
projected to the memory of the most illus-
trious character of modern times, is at
length completed. No apology can be requi-
site for erecting such a monument to him,
who was the first in war, the first in peace,
and the first in the hearts of his fellow citi-
zens: to him who was the founder of a
great and prosperous empire, and whose mo-
deration and pure patriotism challenge the
imitation of all statesmen. This performance
of Judge Marshall has already been distin-
guished by the most honorable and unequiv-
cal testimonies; it has been hailed as an ac-
quisition to standard literature; and it has
been considered as deserving, in point of ex-
ecution, a place by the side of Robertson's
Charles the Fifth, and as unrivalled in the
authenticity of its materials, by any work in
the entire compass of history and biography."
