Just Published

And for sale at the Baltimore Book-store, by
SAMUEL BUTLER,
A NEW WORK, ENTITLED
Geographical Compilation,
Being an accurate description of all the Empires, Kingdoms, Republics and States of the known world, arranged in a catechetical form, compiled from the best American, English and French authors.
By **D. L. C. TEACHER OF GEOGRAPHY.**
This work is executed on a plan entirely new in America; *Topography* (or the description of the provinces and towns the composition of a nation or country) constitutes one of the most essential parts of it, contrary to the custom which has prevailed in almost all the books of Geography that have appeared in the United States.
In this work, is presented to the public an entertaining account of the Chinese Empire, a new description of France according to the recent division into departments compared with that into provinces, as likewise of Belgium, Savoy, Piedmont and the other countries that have been incorporated into the French empire; a detailed and accurate account of the various states of Switzerland, Italy and Germany according to the latest treaties of peace, viz: of Campo Formio, Rastadt, Luneville, Amiens, & Presburg; an account of Poland according to the division of 1793; a satisfactory account of the British Isles; a long and accurate account of the United States in general, and of each state and territory in particular. Likewise of their districts, counties, cities, towns and villages, &c. Lastly, a length description of the Spanish possessions in America according to the last regulation of the Cabinet of Madrid; likewise a description of the ancient tribes of Israel, of Judea or Palestine, and the divisions of ancient Greece, and the divisions of ancient Italy, Gaul, Spain, Britain, Illyricum, Thracia, Asia Minor and Syria, with several other new articles which will certainly be highly interesting.
This work is printed in a handsome type, on elegant paper, neatly bound and lettered in two volumes, 12 mo. Price 2 dollars and 50 cents.
The compilation has been approved, and subscribed to by the President of the United States, by the Secretary of State, by Saint Mary's College in Baltimore, in which institution, as likewise in the Ladies' Seminars, of Mrs. La Combe and of Mrs. Bacon in Baltimore, of Mrs. Rivard and Mrs. De St. Grelaud, in Philadelphia, New-Jersey, it has been adopted, by the directors of the College of Union at Skaneateles in the state of New-York, and by the College at Georgetown. It has also been subscribed to by the greatest part of the most respectable citizens of Baltimore, Philadelphia, New York, and the state of New-Jersey. This makes the author entertain the flattering prospect of seeing his labors rewarded by the suffrage of an enlightened and liberal public, who doubtless will encourage a work which has already been sanctioned by so many able personages and for which no trouble has been spared to render it at the same time instructive and agreeable.
