## Sale by Auction.

On TUESDAY, the 12th instant, at 4 o'clock in the afternoon, will be sold by auction, on the premises, on a very liberal credit.

The square of GROUND on Philpot's addition, in the center lying between the new church (building for the Rev. Dr. Rattron) & Wilkes-street, fronting west on Granby-street, north on Polly's-street, east on Excutor-street, and south on Wilkes-street, which square is divided into 23 Lots, agreeably to a plat that may be seen at the recorder's office, at the corner of Front and Frederick-streets, previous to the sale.

This Property is esteemed of more value than any square in that part of the city, from its central situation and convenient distance to all the principal points of trade, and from its being an entire bed of solid natural earth and gravel, which will admit of the best dry cellars to every house erected thereon. Its extensive front on Granby and Wilkes-streets (the most public highway through the city from east to west) will render an advantageous as well as an agreeable residence, the situation being healthy and pleasant.

The title is clear and indisputable, and a deed in fee simple will be executed when the purchase money is fully paid.

May 2. THOMAS CHASE, Auctioneer.
