**The Grand Master of Malta,**

A remarkably fine Jack, brought direct

of ten dollars each, for the season; for Mares,  
and one hundred dollars for each Jenny.  
The Grand Master is now 3 years old, and

A WORK THAT OUGHT TO BE IN POSSESSION  
OF EVERY MAN.

**THE LIFE OF  
GEN. WASHINGTON,**

By JOHN MARSHALL, Chief Justice of the  
United States.

Complete in 5 vols. 8vo. with an elegant Port-  
rait, and a variety of Maps; is now ready for  
subscribers, and for sale, by

**GEORGE HILL.**  
The following remarks from a late London  
publication, attest the high opinion entertain-  
ed of this authentic and interesting work:

"The public will learn with interest that  
the literary monument which has long been  
projected to the memory of the most illustrious  
character of modern times, is at length completed.  
No apology can be requisite for erecting such a  
monument to him, who was the first in war, the  
first in peace, and the first in the hearts of his  
fellow citizens: to him who was the founder of a  
great and prosperous empire, and whose mo-  
deration and pure patriotism challenge the  
imitation of all statesmen. This performance  
of Judge Marshall has already been distin-  
guished by the most honorable and unequivocal  
testimonies; it has been hailed as an acqui-  
sition to standard literature; and it has  
been considered as deserving, in point of ex-  
ecution, a place by the side of Robertson's  
Charles the Fifth, and as unrivalled in the  
authenticity of its materials, by any work in the  
entire compass of history and biography."
