For Sale, by private contract,

The HOUSE, my present residence, with ten acres one quarter and twelve perches of LAND. The house is convenient and well finished, having been faithfully built, with all necessary attached and detached offices. The Garden and Orchard contain nearly three acres, planted with the best fruit-trees and flowering shrubs, with a great variety of bulbous and tube-rooted flowers, and a green-house stocked with about three hundred exotics. In the garden are two squares or fifteen beds of the finest asparagus. This property is situated about three-quarters of a mile from Paca-street market, and enjoys a view of the river and surrounding country which may vie with any in America for beauty. It has the advantage of a fine spring of pure water within one hundred yards of the door. The meadow-grounds are in good condition, and the land binds on Saratoga street continued about 720 feet.

Also,

About 17 ACRES of LAND, adjoining the above, divided into 5 Lots, containing from one acre and a half to 4 acres and a half each Lot; each having a fine eminence and spring water. These Lots are perhaps the most eligible in the vicinity of the city, that are or can be offered for sale, all fronting on Saratoga-street about 1500 feet. If the above property is not disposed of by private sale before Monday, the 25th instant, it will on that day be offered at public vendue, on the premises, at 4 o'clock in the afternoon, on the following terms: one-sixth of the purchase money will required in sixty days from the day of sale, the residue payable in five annual instalments, with interest from the time of sale; bonds with approved security, for the payment of the several sums of money will be required, and a deed for the conveyance of the premises will be given on the payment of the last instalment.
