[Vol. XXVI—No. 4053.]

## Sale by Auction.

**On TUESDAY,**  
The 12th instant, at 4 o'clock in the afternoon, will be sold by auction, on the premises, on a very liberal credit.

The square of **GROUND** on Philpot's addition, in fee simple, lying between the new Church (building for the Rev. Dr. Ratton) & Wilkes-street, fronting west on Granby-street, north on Polly-street, east on Executor-street, and south on Wilkes-street, which square is divided into 22 lots, agreeably to a plat that may be seen at the venue office, at the corner of Second and Frederick streets, previous to the sale.

This Property is esteemed of more value than any square in that part of the city, from its central situation and convenient distance to all the principal points of trade, and from its being an entire bed of solid natural earth and gravel, which will admit of the best dry cellars to every house erected thereon. Its extensive front on Granby and Wilkes-streets (the most public highway through the city from east to west) will render it advantageous as well as an agreeable residence, the situation being healthy and pleasant.

The title is clear and indisputable, and a deed in fee simple will be executed when the purchase money is fully paid.

THOMAS CHASE, Auctioneer.

## For Sale, by private contract.

The **HOUSE**, my present residence, with ten acres one quarter and twelve perches of **LAND**. The house is convenient and well finished, having been faithfully built, with all necessary attached and detached offices. The Garden and Orchard contain nearly three acres, planted with the best fruit-trees and flowering shrubs, with a great variety of bulbous and tube-rooted flowers, and a green-house stocked with about three hundred exotics. In the garden are two squares or fifteen beds of the finest asparagus. This property is situated about three-quarters of a mile from Paca-street market, and enjoys a view of the river and surrounding country which may vie with any in America for beauty. It has the advantage of a fine spring of pure water within one hundred yards of the door. The meadow-grounds are in good condition, and the land binds on Saratoga street continued about 720 feet.

Also,  
About 17 **ACRES** of **LAND**, adjoining the above, divided into 5 lots, containing from one acre and a half to 4 acres and a half each lot; each having a fine eminence and spring water. These lots are perhaps the most eligible in the vicinity of the city, that are or can be offered for sale, all fronting on Saratoga-street about 1500 feet. If the above property is not disposed of by private sale before Monday, the 25th instant, it will on that day be offered at public venue, on the premises, at 4 o'clock in the afternoon, on the following terms: one-sixth of the purchase money will be required in sixty days from the day of sale, the residue payable in five annual instalments, with interest from the time of sale; bonds with approved security, for the payment of the several sums of money will be required, and a deed for the conveyance of the premises will be given on the payment of the last instalment. For terms apply to Samuel Smythe, who is authorized by me to dispose of the same.

JAMES WIGSELL, Auctioneer.
