THE HOUSE, my present residence, with ten acres one quarter and twelve perches of LAND: The house is convenient and well finished, having been faithfully built, with all necessary attached and detached offices. The Garden and Orchard contain nearly three acres, planted with the best fruit-trees and flowering shrubs, with a great variety of bulbous and tube-rooted flowers, and a green-house stocked with about three hundred exotics. In the garden are two squares on fifteen beds of the finest asparagus. This property is situated about three-quarters of a mile from Paca-street market, and enjoys a view of the river and surrounding country which may vie with any in America for beauty. It has the advantage of a fine spring of pure water within one hundred yards of the door. The meadow grounds are in good condition, and the land binds on Saratoga street continued about 720 feet.

About 17 ACRES of LAND, adjoining the above, divided into 5 Lots, containing from one acre and a half to 4 acres and a half each Lot; each having a fine eminence and spring water. These Lots are perhaps the most eligible in the vicinity of the city, that are or can be offered for sale, all fronting on Saratoga-street about 1500 feet. If the above property is not disposed of by private sale before Monday, the 23th instant, it will on that day be offered at public vendue, on the premises, at 4 o'clock in the afternoon, on the following terms: one-sixth of the purchase money will be required in sixty days from the day of sale, the residue payable in five annual instalments, with interest from the time of sale; bonds with approved security, for the payment of the several sums of money will be required, and a deed for the conveyance of the premises will be given on the payment of the last instalment. **The Key'd Violin,**  
A New invented Musical Instrument, of five Octaves, by  
C. VELTENAIR.  
A RESPECTABLE Public are hereby informed that C. Velténair, a celebrated Artist, inventor and improver of several useful machines, and citizen of Virginia, being on his journey to Washington to obtain letters patent of the president of the United States, intends in passing this city, to exhibit and to give a concert, on this instrument, by himself invented, and which in the opinion of a number of judges and connoisseurs, is admired as the only musical instrument of the kind. This curious and wonderful, and in the highest degree of art discovered musical instrument, has never been known in the musical world, produces the soft and swelling notes of the violin by a perpetual and uniform friction of an endless and artfully constructed hand or bow, excites at the same time the grave and majestic tones of an organ. This instrument is played like a piano or organ but in such a manner that the ear may be delighted with the most pure and perfect sounds of a grand piano, with or without the accompaniment of the touching tones of the violin or rolling sounds of an organ.

The most ingenious artists of England and France have long labored on a discovery of an instrument of this kind, but in the course of their tedious experiments have failed in the attempt, and at last declared this possibility impossible, as an experience of three years, during which time this instrument was accomplished, proves. The proprietor flatters himself with the idea that the performance on this instrument will give entire satisfaction. The exhibition will take place at Mr. Myer's Hotel in Market-street, on Tuesday evening next at 7 o'clock. Tickets of admission (1 dollar each) to be had at the bar.  
May 18.

**Le S<sup>r</sup> VELTENAIR,**  
ARTISTE, ET FABRIQUANT DES INSTRUMENTS MUSICAUX,  
Comu déjà dans des differens pays pour ses inventions Méchaniques.  
A l'honneur d'informer le public, qu'il est intentionné d'exposer son Instrument, le seul de son espèce, et donner un CONCERT la-dessus. Cet Instrument, perfectionné à décret le plus haut, fait naître les douces sons du Violon, excité par le toucherement perpetuel d'un arc infini et merveilleux, en faisant entendre en même temps tous les sons graves et majestueux de l'Orgel. On le touche comme un Forte-Biano, mais de la manière, qu'on peut delecter l'oreille des sens les plus purs et perfectionnés d'un Forte-Biano, sans l'accompagnement ni des sons touchans du Violon, ni des voix orgueux de l'Orgel. Malgré que les artistes les plus célèbres, et de la France et de l'Angleterre, après avoir cherché pendant plusieurs années à construire un Instrument de cet espèce, à la fin ont été la possibilité de le finir jamais; le S<sup>r</sup> Velténair cependant a prouvé le contraire, par un travail de trois ans, et le sacrifice d'une grande partie de sa fortune. Il ose donc se flatter, que l'attention et la sensibilité de tous les connoisseurs, qui veulent bien l'honneur de leur presence, sera contenté entièrement.  
On va commencer demain (Mardi) le soir, à sept heures, dans l'Hotel de St. Mayer, rue Marché; où on peut avoir aussi les Billets d'Entrée à \$1 pour chaque personne.  
May 18.

**For Sale or Rent,**
