THE LIFE OF GEN. WASHINGTON,

By JOHN MARSHALL, Chief Justice of the United States. Complete in 5 vols. 8vo. with an elegant Portrait, and a variety of Maps; is now ready for subscribers, and for sale, by GEORGE HILL. The following remarks from a late London publication, attest the high opinion entertained of this authentic and interesting work: The public will learn with interest that the literary monument which has long been projected to the memory of the most illustrious character of modern times, is at length completed. No apology can be requisite for erecting such a monument to him who was the first in war, the first in peace, and the first in the hearts of his fellow citizens: to him who was the founder of a great and prosperous empire, and whose moderation and pure patriotism challenge the imitation of all statesmen. This performance of judge Marshall has already been distinguished by the most honorable and unequivocal testimonies; it has been hailed as an acquisition to standard literature; and it has been considered as deserving, in point of execution, a place by the side of Robertson's Charles the Fifth, and as unrivalled in the authenticity of its materials, by any work in the entire compass of history and biography. FOR THE PREVENTION AND CURE OF BILIOUS AND MALIGNANT FEVERS, Is recommended

Lee's Anti-Bilious Pills,

Prepared by RICHARD LEE & SON, Baltimore. Persons wishing to purchase this valuable Medicine, are requested to be particular in inquiring for L. e's Anti-Bilious Pills, put up in wooden boxes, having on the outside wrapper the signature of RICHARD LEE & SON. This is necessary, as there are other Pills of the same name. The operation of these Pills is perfectly mild, so as to be used with safety by persons in every situation, and of every age. They are excellently adapted to carry off superfluous bile, and prevent its morbid secretions; to restore and amend the appetite; to produce a free perspiration, and thereby prevent colds which are often of fatal consequences—a dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness of the stomach, & severe head-ache; and ought to be taken by all persons on a change of climate. They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman. Messrs. Richard Lee and Son, The high opinion I have of your Bilious Pills, and a desire to make known their utility for the benefit of mankind, I wish you to publish the following: For two months past, I have been afflicted with a violent sickness at the stomach, an inclination to vomit, and loss of appetite—by taking two doses of your pills, I am restored to a perfect state of health—which induced my wife to try them also, which was attended with the same good effects, being now able to attend to her domestic concerns: in my opinion, this medicine is unequalled in stomach and bowel complaints, not being attended with that griping pain, common to other remedies. JOHN SCOTT, Delaney-stre. t. near Columbia Gardens, Bal. Dec. 10, 1837.

Sold at the Bookstores of Messrs. Warner and Hanna, corner of Gay and Market-streets—John Vance and Co. 178, Market-street, three doors below Charles-street—and Nathaniel Knight, 23, Fell's-street, Fell's Point. RICHARD LEE & SON. May 11. eo8t

The Subscriber offers for Sale

The following TRACTS of LAND, lying in different counties, Maryland, viz.

1. "Land flowing with milk and honey," containing in the whole about 2747 acres. A great proportion of this tract is in natural meadow, which is intersected by a number of small rivulets; the remainder is heavily timbered, and well adapted to the raising of small grain. It lies about forty miles to the south-west of Fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers. 2. "Good Hope." This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land." 3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. On this tract there is a Grist and Saw mill, both of which might be put into good order, at a very small expense. This Grist mill is three stories high, and has an excellent pair of country stones; there is also a wheel for a pair of Burrs. 4. "Cynucopia." This tract contains 4100 acres, and is the residence of Mr. Dan. Grant. The improvements are, a large and comfortable dwelling-house, and an extensive barn with stabling underneath; a young thriving orchard, and about 100 acres of cleared land under good fencing. Braddock's road passes through said farm, which makes it an eligible stand for a public house, being about twenty-two miles from Fort Cumberland. Few farms in Maryland, the same distance from Baltimore, are more valuable than this. It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rice, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.
