Twenty Dollars Reward.

Will be given for apprehending an apprentice boy, named WILLIAM ARMOR, who has been absent from the service of his masters, since the 3d May instant, at which time he obtained leave of absence to go for one week to see his friends in Adams County, when he took the opportunity of going to Baltimore, from whence he wrote to his father and others in Carlisle, that he was determined not to come back to serve out his time, which is nearly two years. It is very probable that he will endeavor to get work in Baltimore either as a Printer or Taylor, as he has served about a year at both occupations. The following is as near a description of him as can be recollected—He is 19 years of age, about 5 feet 10 or 11 inches high, slim made, carries himself erect, has fair hair, and of a ruddy complexion, unassuming in his manners, and especially amongst strangers rather bashful, he is possessed of some talents, & the most distinguishing one amongst them is the sin of laziness, which at every opportunity he was guilty of. Master Printers, or master Tailors, wherever he may apply for work, are requested to secure said apprentice, and lodge him in jail, for which they will be paid Ten Dollars, or Twenty Dollars, and all reasonable expenses if brought home.

ALEXANDER & PHILLIPS, Printers, Carlisle, May 23, 1867.

N. B. Masters of vessels, and others are forewarned against harboring or employing said apprentice, as they shall be punished to the utmost rigor of the law. A. & P. June 9. d4t
