Valuable Lands &c. for Sale,

On the 19th June next.
In compliance with the will of Engelhard Yeiser, Esq. lately deceased, will be sold at public auc-
tion, on the premises, at 12 o'clock, on the 19th June next,
All that valuable PLANTATION whereon the deceased lately resided, containing about 331 1-2 acres, distant about 4 1-2 miles from the city of Baltimore, and adjoining the lands of Gen. Smith, Daniel Bowly, Esq. and others. On this land are erected, a comfortable Dwelling-House; a convenient stone Barn, 33 feet in width and 75 feet long; a Still-House, with 2 Stills; and a Spring-House, the lower part stone, the upper part brick; exclusive of several other tenements, and every other necessary out-house; good Apple and Peach Or-
chards, of excellent fruit; also, good kitchen gardens. About half the land is clear, the other half is young thriving wood; a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome, and pleasant situation.
Also, at the same time and place will be sold at auction, as aforesaid,
All that well-known valuable FARM, late the property of the deceased, called Grace's Quarter; situated in Middle-river Neck, at the conflux of Gunpowder river and Saltpetre creek, by which two waters it is almost sur-
rounded. It contains about 424 acres of arable wood and meadow land. Fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected in the summer of 1804) with stables, cow houses, &c. underneath. Likewise, two apple orchards, two peach ditto, of the best of fruit, with cherry and plum-trees, and about 20 remark-
ably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazer or planter, for nearly the whole of the farm can be put into meadow at a small expence. The fishery on this place, in the season, is extremely profit-
able; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent coun-
try, and good water. The distance to Bal-
timore by land is 16 miles, and by water 4 or 5 hours sail.
Persons disposed to purchase, are invited to view the above property.
Both the said farms will be laid off and di-
vided into smaller farms, to suit purchasers. Plots of the same will in a few days be left at the auction-room of Mr. Thomas Chase.
