Valuable Lands &c. for Sale,
On the 19th June next.
In compliance with the will of Engelhard Yeiser, Esq. lately deceased, will be sold at public auction, on the premises, at 12 o'clock, on the 19th June next,
All that valuable PLANTATION whereon the deceased lately resided, containing about 331 1/2 acres, distant about 4 1/2 miles from the city of Baltimore, and adjoining the lands of Gen. Smith, Daniel Bowley, Esq. and others. On this land are erected, a comfortable Dwelling-House; a convenient stone Barn, 33 feet in width and 75 feet long; a Still-House, with 2 Stills; and a Spring-House, the lower part stone, the upper part brick; exclusive of several other tenements, and every other necessary out-house; good Apple and Peach Orchards, of excellent fruit; also, good kitchen gardens. About half the land is clear, the other half is young thriving wood; a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome, and pleasant situation. Also, at the same time and place will be sold at auction, as aforesaid,
All that well-known valuable FARM, late the property of the deceased, called Grace's Quarter; situated in Middle-river Neck, at the conflux of Gunpowder river and Saltpetre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected in the summer of 1804) with stables, cow-houses, &c. underneath it. Likewise, two apple-orchards, two peach ditto, of the best of fruit, with cherry and plum-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is 16 miles, and by water 4 or 5 hours sail.
Persons disposed to purchase, are invited to view the above property.
Both the said farms will be laid off and divided into smaller farms, to suit purchasers. Plans of the same will in a few days be left at the auction-room of Mr. Thomas Chase.

STOLEN
From my Pocket last night at the Theatre, a (Red Morocco covered) Memorandum Book, containing a long Sliding Pencil, a letter addressed to Mrs. Rebecca Wilcox, Deep River, Chatham county N. Carolina; and a number of other papers of little consequence. As there was no money in it, no doubt the thief will throw it in some place where it may be found. It can be of no use to any but the owner; but as there were a number of memoranda and entries made in the Book (some with ink and some with a pencil) they were of considerable consequence to me. My name and place of residence is entered on the first leaf of the Book. Any person in whose hands it may happen to fall by putting a cover on it addressed to me and leaving it in some Post-Office, so that it may be forwarded by the mail, will very much oblige
