Sale by Auction.

40,000 acres of Land.

The subscribers will offer for sale at Tho's Chase's Auction Room, on THURSDAY, 23d instant, all their right, title and interest, as Trustees to the following valuable property, viz:

40,000 acres of LAND, lying on the navigable waters of the little Kenahawa River, and Bear Fork of Steer Creek, in Harrison county, Virginia. This Land is represented to be of very good quality, heavily covered with valuable timber, on a navigable river and distant only about 35 miles from the tract Ohio. A considerable portion of the tract consists of first rate bottom Lands. This property on account of its advantageous situation, rapid settlements in the neighborhood, & its intrinsic and increasing value, offers to speculators and persons disposed to invest their money permanently in Lands, an opportunity seldom offered to them, and which from the great demand for such property in the Western Country, must seldom occur again. It is laid off in Lots of 500 acres each. The title is considered by the trustees to be unquestionably good. The original survey and other papers, with the plats &c. together with the opinion of counsel relative to the validity of the title, will be left at the store of John Trimble, No. 18, Chesapeake, till the day of sale, where those inclined to purchase may have an opportunity of examining them.

The Creditors of Clement Brook, who prefer settling their accounts immediately, by purchase, are respectfully informed that their claims will be received in payment, for their purchases. The terms of payment, which will be accommodating, will be made known at the time of sale.

Nimrod Maxwell,

Proprietor of the celebrated Sulpher Spring in Adams county, Pennsylvania, takes leave, on the approach of the season for bathing, & drinking this highly medicinal water, to inform his former friends, and the inhabitants of this and the neighboring states, who may be in quest of health or pleasure, that he is prepared to gratify them in both. His house is in all respects in an improved state, his rooms freshly embellished and furnished with the best Beds, and his cellars replenished with a variety of the choicest Liquors. He promises a plentiful and luxurious Table embellished by the best cooks; and has been at the expense of sinking in the solid Rock, and replenishing with abundances of Ice a cave for the refreshment of his Spring Guests. He will have obliging Waiters, and plenty of them, together with Music for the entertainment of such as delight in that exquisite Treat. The House on the south side of the Bridge, is occupied by Mr. Robert Long, who kept it formerly, and who has fitted it in the best manner for the accommodation of Boarders.

N. Maxwell in this age of puffing, has chosen to content himself with this plain and modest notice, begging his readers to believe that he means to perform even more than he has promised.
