A WORK THAT OUGHT TO BE IN POSSESSION OF EVERY MAN.

THE LIFE OF GEN. WASHINGTON

By JOHN MARSHALL, Chief Justice of the United States. Complete in 5 vols. 8vo. with an elegant Portrait, and a variety of Maps; is now ready for subscribers, and for sale, by GEORGE HILL.

The following remarks from a late London publication, attest the high opinion entertained of this authentic and interesting work: "The public will learn with interest that the literary monument which has long been projected for the memory of the most illustrious character of modern times, is at length completed. No apology can be requisite for erecting such a monument to him, who was the first in war, the first in peace, and the first in the hearts of his fellow citizens: to him who was the founder of a great and prosperous empire, and whose moderation and pure patriotism challenge the imitation of all statesmen. This performance of Judge Marshall has already been distinguished by the most honorable and unequivocal testimonies; it has been hailed as an acquisition to standard literature; and it has been considered as deserving, in point of execution, a place by the side of Robertson's Charles the Fifth, and as unrivalled in the authenticity of its materials, by any work in the entire compass of history and biography."

Land for Sale,

About 380 acres of Woodland, from nine to ten miles from Baltimore, on the main road to Ellicott's upper Mills: there is a large quantity of timber and wood on this tract; it is allowed by good judges that it will average considerable more cords of wood per acre, than will pay the price I ask for it, as it stands, without any expense or trouble in cutting. The price of fire wood the last winter, with the increasing scarcity of that article on the tide waters, and near Baltimore, it is thought will make this property of great value in a few years, to one that has the money to spare. The whole may be sold together or had in lots, as may best suit purchasers, one half the money will be required in hand, for the other half, two or three years credit will be given. Mahlon Ely, living near the premises, will show the Land; and the terms made known on application to Joseph Townsend, Baltimore, or to ENNON WILLIAMS, Selby Mills, 7th mo. 2d. eo. 614

The improvements are a tolerable frame dwelling House and Kitchen, a good Barn and Stables a good apple and peach orchard. Considering the great scarcity of wood, and near one of the best markets in this state, with an addition of a quantity of Iron Ore, there is, and the convenience of its situation to the mills and water carriage, where produce may be conveyed from Elk Ridge to Landing to Baltimore, renders this Land worthy the attention of farmers and others.
