The following remarks from a late London publication, attest the high opinion entertained of this authentic and interesting work:

"The public will learn with interest that the literary monument which has long been projected to the memory of the most illustrious character of modern times, is at length completed. No apology can be requisite for erecting such a monument to him, who was the first in peace, and the first in the hearts of his fellow citizens: to him who was the founder of a great and prosperous empire, and whose moderation and pure patriotism challenge the imitation of all statesmen."

Land for sale. The subscriber intending to remove to the Louisiana country, is disposed to sell his PLANTATION, 8 miles from the city of Baltimore, adjoining the Lands of Cornelius Howard, esq. and Dr. John Cromwell, and within half a mile of major George Bean's Tavern, on the Reister's-town turnpike road. The land offered for sale is about 210 acres. Fifteen serons are now in meadow and thirty more can easily be made, nearly one-fourth of the whole Tract is covered with young thriving timber, the residue of arable Land, superior to almost any in the neighborhood, well adapted to the use of Plaster- and divided into convenient and well watered fields by good fences. The improvements are a good Dwelling House, Kitchen and Out Houses, with a paired in Garden and Yard; also an Apple and Peach Orchard of choice Fruits. It is presumed no person will purchase without first viewing the premises, therefore it is only necessary to remind the public, that its contiguity to the city, on a fine Turnpike Road, and in a most excellent neighborhood, renders such a situation, rare to be met with, particularly within that distance of Baltimore; few men in Maryland, can boast of having a more healthy retreat. Those inclined to view the premises, may apply to Mr. Thomas Darlington, residing on the premises, and for terms of sale to Dr. Thomas Johnson, Baltimore county, or the subscriber. JOHN JOHNSON. N. B. The above described Land will either be sold together, or divided into Lots, as may best suit the purchaser, there being several Springs of good water, and handsome enclosures. August 22. eo1m5
