A Stolen Horse.

The subscriber on the 11th day of June last, swopped a Horse, with a certain person who called himself James Wilson, who appeared to be about 30 years of age, slender made, with only one arm, dressed in a blue coat and narrow pantaloons. His anxiety to get rid of the Horse, induced me to suspect he was stolen, of which I mentioned to him, and in consequence of which he absconded, and has never since returned; but left me in possession of both Horses; I do therefore give this public notice, for the benefit of the owner, and request that he may come, prove his horse, pay the charges and take him away. The horse is a bay, about 16 hands high, with a small blemish in one eye, and a few white hairs in his forehead, trots, gallops, and appears to be about 8 years old.

The different editors throughout the continent are requested to insert the above a few times in their papers.
