Valuable Property for Sale. THE subscriber being desirous of procuring some good lands in the south-western country, and to enable him to do so, offers the

following property for sale, viz.

A TRACT of LAND, situate in the county of Fairfax and state of Virgina, whereon now reside, comaining upwards of 2100 acres. This land is well adapted to farming, is level, well watered and timbered, full one half being in wood, near the centre of which stands the county court house and other public buildings which are included within the bounds of a town lately laid out at this place, au thorised by an act of the general assembly of Virginia, on several of which lots buildings have been erected, &c. On one acre thereof near the court house, is a large two story brick House, rented and occupied as a tavern, together with large stables, kitchen, and house for the retirement of a family, &c. Perhaps there is no situation between the eastern and western waters more public, or that affords better stands for taveins, stores, mechanics, &c. particularly to an inn keeper, calculated to act on a large scale. The Little River turnpike paved road, leading from Alexandria to the westward, passes immediately at this place, as also the main public and post roads leading to and from Alexandria, Georgetown, the city of Washington, Baltimore, and the Western country-distance from Alexandria 14, and from the city of Washington 15 or 16 miles. To accommodate a purchaser or purchasers, I would dispose of the property at this place, or any part thereof, separate from the other The annual rent of the small part now improved, is near eight hundred dollars, and at little additional expence would produce from one thousand dollars to twelve hundred dollars per annum, exclusive of lots that might be sold or rented on ground rent; and I would divide the land in two or three parts to suit purchasers On that part occupied by myself, are a comfortable dwelling house, sufficient for the accommodation of a large family, with barn, stables, and other convenient out-houses orchards, &c As it is presumed a person dis-posed to purchase would first view the premi ses, a further description is thought unne

A small piece of Land within one and a half miles of the court-house, situate on Accotink Run, containing 19 acres, mostly rich and valuable grass land, which affords a tolerable mill seat, and was purchased with a view of creet. ing one thereon, the timber for which (of excellent quality) hath been cut and squared.

A Lot in the town of Alexandria, with a two story brick house, kitchen and stable thereon,

situate near the centre thereof; and About 1600 acres of Land, situate on the waters of Licking, in the county of Bourbon, and state of Kemucky. This land is classed as second rate, is rich, lies well, and by judges of that country said to be worth from five dollars to eight dollars per acre, and on which

are several small settlements.

For the property in Fairfax and Alexandria, indisputable titles will be made; the title to the Kentucky land is thought to be good, an investigation on that subject having lately taken place, and is patented in my own name. Nothing short of a strong desire to provide for a large and growing family, should induce me to offer this property or sale. My terms will be suchascannot fail to accommodate a purchaser, as but a small portion will be required in hand, and on securing the balances satisfac orily, to meet arrangements which in such cases I wish to make, lengthy credits will be given . I would receive in part payment good lands in the state of Tennessee, not more than thirty miles from Nashville, or the waters of Dock River, in said state; but the title thereto must be well established and secured. Application must be made RICHARD RATCLIFFE.

Fairfax county, state of \ Virginia, August 25.

Notice is hereby Given, That the subsbscriber means to apply, by petition in writing to the honorable the judges of Baltimore county court, at the next term, to be held at the court house in the city of Baltimore, on the first Tuesday in October next, for a commission to mark and bound part of a tract of Land called Burman's For-rest, of which he is seized, lying and being in Baltimore county aforesaid.

Are in ormed that there is now to be seen at Mrs. Bickham's, No. 2, North Charles street, a Young LADY, born without hands, and with only three toes, on one foot; who is not so much a subject of wonder and admiration for her great ingenuity and elegance in em-broidering artificial flowers fit for framing, and in cutting with rich variety and taste, gentlemen's watch papers, as for the peculiar teli city of her disposition and her entertaining style conversation, diffusing gaicty all around her; indeed, her cheerful and sportively enagg ing aspect at once dispels those painful sensa-tions which the deprivation of her lin bs excites in the sympathising breasts of her visitors, which give place to the most felicitous im-pressions, resulting in an admiration of the un-paralleled good sense and cheerful resignation of this young Lady a her puculiar lot, which she has rendered by her persevering industry, spirit and wisdom, a happiness to herself and a very instructive and consolatory example to the world generally, and to her own sex parti

Proposals For Publishing by subscription, a Moral. Instructive, Entertaining, Periodical Work,
Entitled

The Monthly Magazine; To contain 56 octavo pages, letter-press-well executed, on fine paper-with a copperwell executed, on the paper—with a copper-plate Engraving to each volume. But if the patronage obtained be adequate to the ex-pense, an Engraving will be given with each number, which will add greatly to the beau-ty of the work without enhancing the price. Consequently, it is expected, that the Ladies and Gentlemen of this city will be liberal in attaching their names to the subscription list, in order to enable the publishers to issue the Monthly Marazine in a style commensurate Monthly Magazine in a style commensurate

with its object, and the wish of the proprietor.

It has been usual for persons soliciting patronage for undertakings of the nature of the present, to deal extensively in promises, the neglect of which has cast a stigma on their successors not easily reviewed. This is what the proprietor would carefully avoid. He will take leave just to state, that as the majority, perhaps all, of those who may see this proposal, understand the nature of the work, he esteems it unnecessary to particularize the manner in which it will be conducted, further than that it will be on the plan of the most approved periodical miscellanies in Europe; that will contain Sketches of interesting Biography, detached pieces of History, Extraordinary Pro-ductions of Nature and it. Anecdotes, his-torical and humorous, in short every thing worthy of note; that at the end of each num ber will be given, a summary of events of the past month; that a department will be reserv. ed for the use of " the favored of the Mu es;" and that not only the assidaity of the editor, but the gratuitous and friendly assistance of several gentlemen of literary eminence, will be employed, to render it completely such a publication as the object supposes. The price to subscribers, 50 cents each num-

ber, payable on delivery.
