

A WORK THAT OUGHT TO BE IN POSSESSION OF EVERY MAN

THE LIFE OF GEN. WASHINGTON,

By JOHN MARSHALL, Chief Justice of the United States.

Complete in 5 vols. 8vo. with an elegant Portrait, and a variety of Maps: is now ready for subscribers, and for sale, by GEORGE HILL.

The following remarks from a late London publication, attest the high opinion entertained of this authentic and interesting work:

"The public will learn with interest that the literary monument which has long been projected to the memory of the most illustrious character of modern times, is at length completed. No apology can be requisite for erecting such a monument to him, who was the first in war, the first in peace, and the first in the hearts of his fellow citizens: to him who was the founder of a great and prosperous empire, and whose moderation and pure patriotism challenge the imitation of all statesmen. This performance of Judge Marshall has already been distinguished by the most honorable and unequivocal testimonies; it has been hailed as an acquisition to standard literature; and it has been considered as deserving, in point of execution, a place by the side of Robertson's Charles the Fifth, and as unrivalled in the authenticity of its materials, by any work in the entire compass of history and biography."

Forty Dollars Reward.

RAN away from the subscriber in September last, a Negro Man named LUKE, about twenty-two years old, five feet nine or ten inches high, wide mouth, thick lips, a little kneeed, walks much on the inside of his feet, and turns his toes considerably out when walking, ready at an answer, and talks much.

Also another, called ANTHONY, a likely fellow, who went off on or about the 13th of June last, about 24 years of age, 5 feet 8 or 9 inches high, well set, stammering much when talking, and has a slight eruption in the bottom of his belly. Both of these fellows I purchased lately of the family of the Bowlings, in and near Piscataway, where they have relations, & amongst whom they are probably secreted.

I will give the above reward for securing them in jail, so that I get them again, or 20 dollars for either, and pay all reasonable expenses if brought home to Prince George's county, near Piscataway.

Fifty Dollars Reward.

Ran away from the subscriber on the evening of the 30th ultimo, a Mulatto Man named TOM. He is about 25 or 26 years of age, about 5 feet 8 or 10 inches high, his countenance is pleasant, speaks mild and plausible, his hair is very thick and grown down his forehead more than common. He had on when he went away a felt hat, osanburgh shirt and trousers, no shoes, having his feet sore on the insteps, on account of poison. I purchased him of Mr. Robert Oliver, of Baltimore, last fall, in whose service he was a long time, in the capacity of a coachman, and is well known in Baltimore. Since I have had him he has been generally employed in driving one of my mill waggons. I will give the above reward if an recovered, and lodged in Baltimore county Jail, so that I get him again.

The Woman's Friend.

KENT & BEATTY'S PATENT WASHING MACHINE.

This Machine needs only to be seen to be approved of, and is justly called the Woman's Friend; one trial alone is sufficient to convince the most incredulous that the defect attending others, is entirely removed in this. No part of the Machine is liable to swell with the water so as to hinder its action.

I washes with ease, and perfectly clear without injuring the finest linen. As the secret of this machine is known, & has been advertised, and is allowed by those who have tried it, to be the best washing machine ever invented.

The public and those ladies and gentlemen, who have expressed a wish to have one of these washing machines, are respectfully informed that they can be supplied at Mr. Cross' carpenters, No. 7, High street Old Town, opposite Mr. Renshaw's Tavern. The Patentees like wise offer for sale, the Patent Right of this city and county, of their much approved Washing and Churning Machine. Land for Sale.

The subscriber intending to remove to the Louisiana country, is disposed to sell his PLANTATION, 8 miles from the city of Baltimore, adjoining the Lands of Cornelius Howard, esq. and Dr. John Cromwell, and within half a mile of major George Beane's Tavern, on the Reister's-town Turnpike road.

The Land offered for sale is about 210 acres. Fifteen acres are now in meadow and thirty more can easily be made, nearly one-fourth of the whole Tract is covered with young thriving timber, the residue of arable Land, superior to almost any in the neighborhood, well adapted to the use of Plaster—and divided into convenient and well watered fields by good fences. The improvements are a good Dwelling House, Kitchen and Out Houses, with a paved in Garden and Yard; also an Apple and Peach Orchard of choice Fruits. It is presumed no person will purchase without first viewing the premises, therefore it is only necessary to remind the public, that its contiguity to the city, on a fine Turnpike Road, and in a most excellent neighborhood, renders such a situation, rare to be met with, particularly within the distance of Baltimore; few men in Maryland, can boast of having a more healthy retreat.

Those inclined to view the premises, may apply to Mr. Thomas Darlington, residing thereon; and for terms of sale to Dr. Thomas Johnson, Baltimore county, or the subscriber.

JOHN JOHNSON.
N. B. The above described Land will either be sold together, or divided into Lots, as may best suit the purchaser, there being several Springs of good water, and handsome enclosures.
