Valuable Property for Sale.

THE subscriber being desirous of procuring some good lands in the south-western country, and to enable him to do so, offers the following property for sale, viz.

A TRACT of LAND, situate in the county of Fairfax and state of Virginia, whereon I now reside, containing upwards of 2100 acres. This land is well adapted to farming, is level, well watered and timbered, full one half being in wood, near the centre of which stands the county court house and other public buildings which are included within the bounds of a town lately laid out at this place, authorized by an act of the general assembly of Virginia, on several of which lots buildings have been erected, &c.

On one acre thereof, near the court house, is a large two story brick House, rented and occupied as a tavern, together with large stables, kitchen, and house for the retirement of a family, &c. Perhaps there is no situation between the eastern and western waters more public, or that affords better stands for taverns, stores, mechanics, &c. particularly to an inn keeper, calculated to act on a large scale. The Little River turnpike paved road, leading from Alexandria to the westward, passes immediately at this place, as also the main public and post roads leading to and from Alexandria, Georgetown, the city of Washington, Baltimore, and the Western country—distance from Alexandria 14, and from the city of Washington 15 or 16 miles. To accommodate a purchaser or purchasers, I would dispose of the property at this place, or any part thereof, separate from the other lands. The annual rent of the small part now improved, is near eight hundred dollars, and at little additional expence would produce from one thousand dollars to twelve hundred dollars per annum exclusive of lots that might be sold or rented on ground-rent; and I would divide the land in two or three parts to suit purchasers. On that part occupied by myself, are a comfortable dwelling house, sufficient for the accommodation of a large family, with barn, stables, and other convenient out-houses, orchards, &c. As it is presumed a person disposed to purchase would first view the premises, a further description is thought unnecessary.

A small piece of Land within one and a half miles of the court house, situate on Accotink Run, containing 19 acres, mostly rich and valuable grass land, which affords a tolerable mill seat, and was purchased with a view of erecting one thereon, the timber for which (of excellent quality) hath been cut and squared.

A Lot in the town of Alexandria, with a two story brick house, kitchen and stable thereon, situate near the centre thereof; and

About 1600 acres of Land, situate on the waters of Licking, in the county of Bourbon, and state of Kentucky. This land is classed as second rate, is rich, lies well, and by judges of that country said to be worth from five dollars to eight dollars per acre, and on which are several small settlements.

For the property in Fairfax and Alexandria, indisputable titles will be made; the title to the Kentucky land is thought to be good, an investigation on that subject having lately taken place, and is patented in my own name. Nothing short of a strong desire to provide for a large and growing family, should induce me to offer this property for sale. My terms will be such as cannot fail to accommodate a purchaser, as but a small portion will be required in hand, and on securing the balance satisfactory, to meet arrangements which in such cases I wish to make, lengthy credits will be given. I would receive in part payment good lands in the state of Tennessee, not more than thirty miles from Nashville, or the waters of Dock-River, in said state; or the title thereto must be well established and secured. Application must be made to

The improvements are a tolerable frame dwelling House and kitchen, a good Barn and Stables a good apple and peach orchard. Considering the great scarcity of wood, and near one of the best markets in this state, with an addition of a quantity Iron Ore, thereon, and the convenience of its situation to the mills and water carriage, where produce may be conveyed from Elk Ridge Landing to Baltimore, renders this Land worthy the attention of farmers and others. The Curious

Are informed that there is now to be seen at Mrs. Bickham's, No. 2, North Charles-street, a Young LADY, born without hands, and with only three toes, on one foot; who is not so much a subject of wonder and admiration for her great ingenuity and elegance in embroidering artificial flowers fit for framing, and in cutting with rich variety and taste, gentlemen's watch papers, as for the peculiar felicity of her disposition and her entertaining style conversation, diffusing gaiety all around her; indeed, her cheerful and sportively engaging aspect at once dispels those painful sensations which the deprivation of her limbs excites in the sympathising breasts of her visitors, which give place to the most felicitous impressions, resulting in an admiration of the unparalleled good sense and cheerful resignation of this young Lady to her peculiar lot, which she has rendered by her persevering industry, spirit and wisdom, a happiness to herself, and a very instructive and consolatory example to the world generally, and to her own sex particularly.

Large flowers, &c. for sale by the young Lady, at the above place. Admittance, 25 Cents—Children, half price. August 19. 1aw
