West-Indies.

A most valuable COFFEE MOUNTAIN is offered for sale in an adjacent island from this continent, remarkable for its fertility and richness of soil, containing about 360 English acres of prime land for the growth of Coffee, situated in the most favored quarter for seasonable weather of any in the island, and where the crop of this most valuable produce never fails, at the distance of 54 miles from the chief city, and at about 12 miles from a considerable seaport, where merchant vessels of the largest burthen enter and anchor in safety.

On the premises are all the valuable and useful buildings, barbicans, bason, &c. &c. requisite for storing and preparing at the present moment for Market, above one hundred and fifty thousand weight of Coffee, besides a most convenient airy house for the residence of a family, a kitchen, Negro houses, &c. &c. The Plantation is well watered, having the advantage of a never failing spring, and is most delightfully situated at the entrance of a plain on sloping hills, contiguous to one of the first sugar plantations in the island, besides being only 3 miles distance from a watering place, much resorted to on account of the celebrity of its waters and baths; about 140 acres are in the highest state of cultivation on which are planted above 140,000 Coffee trees, growing in the most luxuriant state, besides Plantains, Bananas, and other Negro provisions in abundance.

This property will be sold with its gang of Negroes, consisting of 73 prime Blacks including males, females and their ten children, born on the plantation, all well seasoned to the place. Not less than 57,000 lbs. Coffee was gathered last crop, and no doubt but 100,000 will be made this pending crop, probably more, and that hereafter one year with another the plantation in its present state will yield a crop of 120,000 pounds coffee, which at the actual price it now sells for in the colony alluded to, say 24 dollars per Cwt. would give a revenue of 27,000 dollars per annum, exclusive of the cost to own. By augmenting the number of trees, it can be made very soon to yield 300,000 pounds coffee annually, the 220 unutilized acres being all wood lands.

This kind of property is not liable to any tax or duty whatever, either on the lands, produce or Negroes.

For further particulars and terms, which are very advantageous, and well worth the attention of any person having command of cash for the first payment, as the subsequent instalments will chiefly be paid out of the crops Apply to

GEO. F. & LEM. WARFIELD N. B. The property is offered for sale in order to resign a partnership Oct. 14. d5toe0f

Notice is hereby Given, That the subscriber intends applying to the judges of Washington county court, at the October term, for the benefit of the insolvent laws, passed in 1805 and 1806.

This is a circumstance which the subscriber much regrets but after having used every exertion in his power to avoid it, he has not been able to succeed. Although he has met with many losses, yet his property at fair valuation, would still be nearly equal to his debts, but as his creditors have refused to take property in that way, he must submit—he must sacrifice the fruits of 10 years industry—and he still hopes it will be in his power some day, to settle every claim, for he shall always consider himself bound in honor, to pay every cent, if ever in his power. THOMAS KENNEDY Washington County, Md. Aug. 28. Saw2m

Notice is hereby Given, That the subscriber intends applying to the judges of Washington county court, at the next October term, for the benefit of the insolvent laws passed in 1805, and 1806, to relieve him from debts for which he is liable, and which he is unable to pay.
