West-Indies.
A most valuable COFFEE MOUNTAIN
is offered for sale in an adjacent island from
this continent, remarkable for its salu-
rity and richness of soil, containing about 360 En-
glish acres of prime land for the growth of
Coffee, situated in the most favored quarter
for seasonable weather in the island, and
where the crop of this most valuable pro-
duce never fails, at the distance of 54 miles
from the chief city, and at about 12 miles from
a considerable seaport, where merchant ves-
sels of the largest burthen enter and anchor
in safety.
On the premises are all the valuable and
useful buildings, barbecues, bason, &c. &c. re-
quisite for storing and preparing at the present
moment for Market, above one hundred and
fifty thousand weight of Coffee, besides a
most convenient airy house for the residence
of a family, a kitchen, Negro houses, &c. &c.
The Plantation is well watered, having the
advantage of a never failing spring, and is
most delightfully situated at the entrance of
a plain on sloping hills, contiguous to one of
the first sugar plantations in the island, be-
sides being only 3 miles distance from a water-
ing place, much resorted to on account of the ce-
lebrity of its waters and baths; about 140 acres
are in the highest state of cultivation on which
are planted above 100,000 Coffee trees, grow-
ing in the most luxuriant state, besides
Plantains, Bananas, and other Negro provi-
sions in abundance.
This property will be sold with its gang of
Negroes, consisting of 75 prime Blacks in-
cluding males, females and their ten children,
born on the plantation, all well seasoned to the
place. No less than 37,000 lbs. Coffee was
thereof last crop, and no doubt but 80,000 will
be made this pending crop, probably more,
and that hereafter one year with another the
plantation in its present state will yield a crop
of 120,000 pounds coffee, which at the actual
price it now sells for in the colony alluded to,
say 24 dollars per Cwt. would give a re-
venue of 27,000 dollars per annum, exclusive
of the cost to town. By augmenting the num-
ber of trees, it can be made very soon to yield
200,000 pounds coffee annually, the 220 un-
cultivated acres being all wood lands.
This kind of property is not liable to any
taxes or tithes whatever, either on the lands,
produce or Negroes.
For further particulars and terms, which
are very advantageous, and well worth the at-
tention of any person having command of cash
for the first payment, as the subsequent instal-
ments will chiefly be paid out of the crops.
Apply to
GEO. F. & LEM. WARFIELD.
N. B. The property is offered for sale in or-
der to resign a partnership. d5te-oct.

Notice is hereby Given,
That the subscriber intends applying to the
judges of Washington county court, at the
October term, for the benefit of the insolvent
laws, passed in 1805 and 1806.
This is a circumstance which the subscrib-
er much regrets, but after having used every
effort in his power to avoid it, he has
not been able to succeed. Although he has
met with many losses, yet his property at a fair
valuation would still be nearly equal to his
debts, but as his creditors have refused to
take property in that way, he must submit—
he must sacrifice the fruits of 10 years in-
dustry—and he still hopes it will be in his
power some day, to settle every claim, for
he shall always consider himself bound in
honor, to pay every cent, if ever in his power.
