ROBERT WRIGHT, ESQUIRE,
GOVERNOR OF MARYLAND,
A PROCLAMATION.
WHEREAS some notorious villain did on the
eighteenth day of October instant, attempt to
assassinate Judge James B. Robins, of this
return from Caroline county court, near Denton,
and did from an ambush fire a ball at him,
which entered his right shoulder, and passed
out below his right breast, and another ball
which passed through the cape of his coat,
and struck his ear. And whereas there is
reason to believe the said assassin is a certain
John Whirlow, alias John Rigging, formerly
committed to the custody of the sheriff of
Judge Robins, to answer to a certain crime,
and who by two letters to said Judge Robins,
did entreat to assassinate him, which said
Whirlow, alias Rigging, was on the day before
the perpetration of said villainy supposed to be
in Denton, inquiring when said Judge would
return home: And whereas it is the duty of
the executive, in the execution of the laws,
to endeavor to bring all malefactors to justice;
I have thought proper to issue this Proclamation,
and do, by and with the advice and conse-
nt of the council, offer Free Hundred Dol-
lars Reward, to any person or persons who
shall apprehend and bring to justice, the per-
petrator of said offence, in lieu of the reward
offered by William P. Pott, Esquire. Given
in council, at the city of Annapolis, under the
seal of the state of Maryland, this twenty-first
day of October, in the year of our Lord one
thousand eight hundred and seven, and of the
independence of the United States of America
the thirty-second.

ROBERT WRIGHT,
By his excellency's command,
NINIAN PINKNEY,
Clerk of the Council.
Ordered, That the foregoing Proclamation
be published three times in each week, for the
space of three weeks successively, in the Ame-
rican and Federal Gazette at Baltimore, and
the Star at Boston.
By order,
NINIAN PINKNEY.

West-Indies.
A most valuable COFFEE MOUNTAIN
is offered for sale in an adjacent island from
this continent, remarkable for its fertility,
and richness of soil, containing about 300 En-
glish acres of prime land for the growth of
Coffee, situated in the most favored quarter
for a soundable weather of any in the island,
and where the crop of this most valuable pro-
duce never fails, at the distance of 54 miles
from the chief city, and at about 12 miles from
a considerable seaport, where merchant ves-
sels of the largest burthen enter and anchor
in safety.
On the premises are all the valuable and
useful buildings, barbecues, bason, &c. re-
quisite for storing and preparing at the present
moment for Market, above one hundred and
fifty thousand weight of Coffee, besides a
most convenient airy house for the residence
of a family, a kitchen, Negro houses, &c. &c.
The Plantation is well watered, having the
advantage of a never failing spring, and is
most delightfully situated at the entrance of a
plain on sloping hills, contiguous to one of the
first sugar plantations in the island, besides
being only 3 miles distance from a watering
place, much resorted to on account of the ce-
lebrity of its waters and baths; about 140 acres
are in the highest state of cultivation on which
are planted above 100,000 Coffee trees, grow-
ing in the most luxuriant state, besides
Plantains, Bananas, and other Negro provi-
sions in abundance.
This property will be sold with its gang of
Negroes, consisting of 75 prime Blacks in-
cluding males, females and their ten children,
born on the plantation, all well seasoned to the
place. No less than 37,000 lbs. Coffee was
gathered last crop, and no doubt but 70,000 will
be made this pending crop, probably more,
and that hereafter one year with another the
plantation in its present state will yield a crop
of 120,000 pounds of coffee, which at the actual
price it now sells for in the colony alluded to,
say 24 dollars per Cwt., would give a reve-
nue of 27,000 dollars per annum, exclusive
of the cost to town. By augmenting the num-
ber of trees, it can be made very soon to yield
100,000 pounds of coffee annually, the 220 un-
cultivated acres being all wood land.
This kind of property is not liable to any
taxes or tytes whatever, either on the lands,
produce or Negroes.
For further particulars and terms, which
are very advantageous, and well worth the
attention of any person having command of cash
for the first payment, as the subsequent instal-
ments will chiefly be paid out of the crops.
Apply to
GEO. F. & LEM. WARFIELD.
N. B. The property is offered for sale in or-
der to resign a partnership
