West-Indies. A most valuable COFFEE MOUNTAIN A most valuable COFFEE MOUNTAIN is offered for sale in an adjacent island from this continent, remarkable for its salubrity, and richness of soil, containing about 360 English acres of prime land for the growth of Coffee, situated in the most favored quarter for seasonable weather of any in the island, and where the crop of this most valuable produce power falls. duce never fails, at the distance of 54 miles from the chiefcity, and at about 12 miles from a considerable seaport, where merchant ves-sels of the largest burthen enter and anchor

On the premises are all the valuable and useful buildings, barbacus, bason, &c. &c. requisite for storing and preparing at the present moment for Market, above one hundred and fifty thousand weight of Coffee, besides a

most convenient airy house for the residence of a family, a kitchen, Negro houses, &c. &c. The Plantation is well watered, having the advantage f a never failing spring, and is most desightfully situated at the entrince of a plain on sloping talls, contiguous to one of the first sugar plantations in the island, besides being only 3 miles d stance from a watering place, much resorted to on account of the celebrity of its waters and baths; about 140 acres are in the highest state of cultivation on which are planted above 140,000 Coffee trees, growing in the most juxuriant state besides. Plantans, Bananas, and other Negro provisions in abundance

This property will be sold with its gang of Nagroes, consisting of 75 prime Blacks including males, females and their tenchildren, born on the plantation, a level, seasoned to the place. No less than 57 000 lbs Coffee was gathered last crop, and no doubt but 80,000 will be hade this pending crop, probably more, and that hereafter one year with another the plantation in its present state will yield a crop of 10000 pounds coffee, which at the actual price it now sells for in the colony alluded to, say 24 dollars per Cwt. would give a revenue of 27,000 dollars per anuum, exclusive of the cost to town. By augmenting the number of crees, it can be made very soon to yield 200 000 pounds coffee annually the 220 un-

cuitivated acres being all w This sind of property is taxes or tythes whatever, produce or Negroes.

For further particulars are very advantageous, aratention of any person having command or case, for the first payment, as the subsequent instalments will chiefly be paid out of the crops,

GEO. F. & LEM. WARFIELD.

N. B. The property is offered for sale in order to resind a partnership. Oct. 14.
