Of Mr. William Julion, carpenter and builder,
No. 69, south Fifth street, Philadelphia.

My wishes to promote the interest of superior merit, and to afford consolation to the afflicted, induces me to request you will lay my case before the public, as an incontestible proof of the astonishing efficacy of Dr. Ro-bertson's invaluable Stomachic Elixir of

I do hereby certify, that I was seized most violently with the dysentery, or bloody flux, which reduced me so much, that I was confined to my bed, and became so weak that I could not not move without assistance. My situation at that time being so seriously alarming, as no relief could be obtained, I was given over, and even death would have been desirable to me, had not a friend of mine, who by chance called to see me, who had just recovered from a similar complaint, though not so severe as mine. He informed me that he was cured by taking Dr Robertson's Stomachic Was cured by taking Dr Robertsen's Stomachee Elixir of Health, and advised me to send to you for a bottle. I immediately did so, and by following your instructions given with the bottle, before I had taken half a bottle, I found myself much relieved, and my disorder greatly abated, and by continuing to take it, in one week I was able to walk not a state of the state week I was able to walk out, and in less than

a fortnight was able to attend to my business I therefore recommend every family to be provided with this invaluable me licine, particularly those who live at a distance in the country, where assistance cannot be immediately obtained. As I am convinced that Dr. Robertson's Stomachic Elivir of Health, is the most effectual remedy in the world, I have since recommended it to several of my friends in similar complaints, who have always been relieved immediately after taking it.-Should any person wish to be more fully con vinced of my case, I will with pleasure ex-

Six. For the good of the public and benefit
of the afflicted, I think proper to inform you,
that having laored for upwards of six morths under a very had cough, attended with diffi-culty of breathing, pains in my breast and side, and a sickness at my stomach; having lost all appetite, I became so very much reduced in considered in a consumption, and given up for a lost man. In this hopeless situation I had recoure to Dr. Robertson's Stomachic Elixir of

Health, and to my great astonishment, before I had taken one bottle, found myself very much relieved. I expectorated a great quantity of phlegm, which has eased me of one of the most violent coughs that ever a man had; I have taken it regularly ever since, and now find myself completely recovered, and shall certainly, for the benefit received, recommend it as far as I can, believing it to be a most effi-cacious medicine in the above complaint. CERTIFICATE Of Mr. Peter Deron in, No. 278, south Second-street, Philadelphia. DEAR SIR,

It is with the utmost satisfaction I in-

form you of the cure effected by your truly invaluable Stomachic Elixir of Health, as the whole of my family, including myself, being six in number, were violently affected with the influenza, attended with very bad coughs, pains in the limbs, and difficulty of breathing, which continued to increase. I applied to a physician, but his medicines had no effect.— Just at that time, having heard of the cures made by Dr. Robertson's Stomachic Elixir of Health, I determined to try a bottle of it; I did, and its effects exceeded my expectations. The first two or three doses caused me to expectorate avast quantity of tough vicid phlegm, and so speedily removed every symptom of the cold, that by the time we had taken three bottles we were all perfectly cured, except a weakness that remained, for which I have administered Dr. Robertson's Patent Wine Bitters, and I have found them wonderfully efficacious in strengthening the system, and destroy ing of worms, as two of my children have voided a vast quantity by taking them, and are now growing strong and healthy. I have since recommended the above medicines to a number of my friends, who have been immediately
