John Haslam,
VETERINARY SURGEON, Or
FARRIER,
No. 41, JONES-STREET, Old Town,
Continues to offer his professional services
to the citizens of Baltimore, and informs them
that he has opened a Shop, in the above
street, for the Shoeing of Horses feet, accord-
ing to the modern improved plan; that is on
the following principles:
The Frog of the foot never to be pared, to
bear equal weight with the shoe, and the shoe
to be forged in such a manner as to bear a
level surface on the ground and at the same
time a sufficient space between the shoe and
sole of the foot.
It would appear, at first thought that the
frog pressing on the ground, would injure the
horse; but when we consider the shape, posi-
tion, quality and composition of the frog,
together with its connection with the internal
and external parts of the foot, we must ac-
knowledge it was placed there for most es-
sential purposes. It is elastic, and the shape
of a wedge, convex, and placed in the centre
of the heels.
This wedge like shape, and convexity must
be intended for some purpose, and that is to
keep the heels from expanding, which operation
takes place in the following manner: allow
the frog to press on the ground, and when
ever the horse sets his foot down, the frog as-
cends, that is, it rises up, between the heels;
when he takes it up, the frog descends and
by this alternate motion the heels are preserv-
ed expanded. The foot forms half a circle,
which is the natural shape of a cold foot, and
a proper elastic motion is kept up in the parts
composing the heels—again, the frog, when
suffered to press on the ground, prevents the
horse from slipping, and by the its elastic
quality acts as a spring.
It is found by experience that a perpetual
pressure may be given to a living substance,
and it will be attended with no inconvenience,
when a partial pressure will cause most ex-
quisite pain.
This is demonstrated in a person whose liv-
ing is by the hammer; he feels no inconve-
nience; when a person, whose hand is soft,
begins to work with the hammer for a little
time, he feels great pain. The same is
also the case with the frog of the horse's foot,
though it is cut and raised from the ground,
as it is the common practice, and not
admitted to press on an even surface, it
will meet with pressure on gravelly ground, or
any uneven surface; therefore it is better it
should have perpetual or constant pressure.
Independent of the reasonable appearance
of the above theory, no one has cause for
fear in the practice. It has been adopted for
several years past at the Veterinary College
of London, and in numerous instances in this
city, by my direction, with the most salutary
effects.
The plan of Shoeing in first differs from
the plan in warmer weather.
It is expected these few observations are
sufficient, but any further explanation will
be given by calling on me.
What I mean by partial pressure, is a pres-
sure sometimes.

wind in the stomach; also a certain cure for
the Dysentery, or Bloody Flux, Cholera Mor-
us, severe gripings, and all other diseases of

The following certificates are selected from
the many respectable ones lately received by
the proprietor, and are now in his posses-
sion.

CERTIFICATE,
OF Mr. William Julion, carpenter and builder,
No. 69, south Fifth street, Philadelphia.
Sir,
My wishes to promote the interest of su-
perior merit, and to afford consolation to the
afflicted, induces me to request you will lay
my case before the public, as an incontestible
proof of the astonishing efficacy of Dr. Ro-
bertson's invaluable Stomachic Elixir of Health.

I do hereby certify, that I was seized most
violently with the dysentery, or bloody flux,
which reduced me so much, that I was con-
fined to my bed, and became so weak that I
could not move without assistance. My
situation at that time being so seriously alarm-
ing, as no relief could be obtained, I was
given over, and even death would have been
dearable to me, had not a friend of mine, who
by chance called to see me, who had just re-
covered from a similar complaint, though not
so severe as mine. He informed me that he
was cured by taking Dr. Robertson's Stomachic
Elixir of Health, and advised me to send to
you for a bottle. I immediately did so, and by
following your instructions given with the
bottle, before I had taken half a bottle, I found
myself much relieved, and my disorder great-
ly abated, and by continuing to take it, in one
week I was able to walk out, and in less than
a fortnight was able to attend to my business.
I therefore recommend every family to be
provided with this invaluable medicine, parti-
cularly those who live at a distance in the
country, where assistance cannot be immedi-
ately obtained. As I am convinced that Dr.
Robertson's Stomachic Elixir of Health, is the
most effectual remedy in the world, I
therefore sincerely recommended it to several of my
friends in similar complaints, who have always
been relieved immediately after taking it.
Should any person wish to be more fully con-
vinced of my case, I will with pleasure ex-
plain it to them by applying to me.

I am with a due sense of the benefit I have
received, through the efficacy of your medi-
cine,
Sir, your humble servant,
WM JULION.
Dr. Dyott.
Philadelphia, July 15th, 1807.

CERTIFICATE.
OF Mr. John T. Solomon, Sixth near Race-
Street, Philadelphia.
Sir,—For the good of the public and benefit
of the afflicted, I think proper to inform you,
that having labored for upwards of six months
under a very bad cough, attended with diffi-
culty of breathing, pains in my breast and side,
and a sickness at my stomach; having lost all
appetite, I became so very much reduced in
my strength as to be unable to walk. I was
solicited in a conversation, and given up for
a lost man. In this hopeless situation I had
recourse to Dr. Robertson's Stomachic Elixir
of Health, and to my great astonishment, before
I had taken one bottle, found myself very
much relieved. I expectorated a great quan-
tity of phlegm, which has eased me of one of
the most violent coughs that ever a man had;
I have taken it regularly ever since, and now
find myself completely recovered, and shall
certainly, for the benefit received, recommend
it as far as I can, believing it to be a most ef-
ficacious medicine in the above complaint.

I am, Sir,
With real respect,
Your obed't humble servant,
JOHN T. SOLOMON.
Mr. T. W. DYOTT.

CERTIFICATE
OF Mr. Peter Denman, No 278, south Second-
street, Philadelphia.
DEAR SIR,
It is with the utmost satisfaction I in-
form you of the cure effected by your truly
invaluable Stomachic Elixir of Health, as the
whole of my family, including myself, being
six in number, were violently affected with
the influenza, attended with very bad coughs,
pains in the limbs, and difficulty of breathing,
which continued to increase. I applied to a
physician, but his medicines had no effect.—
Just at that time, having heard of the cures
made by Dr. Robertson's Stomachic Elixir of
Health, I determined to try a bottle of it; I
did, and its effects exceeded my expectations.
The first two or three doses caused me to ex-
pectorate vast quantities of tough greenish phlegm,
and so speedily removed every symptom of
the cold, that by the time we had taken three
bottles we were all perfectly cured, except a
weakness that remained, for which I have ad-
ministered Dr. Robertson's Patent Wine Bit-
ters, and I have found them wonderfully ef-
ficacious in strengthening the system, and destroy-
ing of worms, as two of my children have
voided a vast quantity by taking them, and are
now growing strong and healthy. I have since
recommended the above medicines to a num-
ber of my friends, who have been immediately
relieved by taking them.

CERTIFICATE
OF General Adg'lry of Hampton.
I certify that having received a blow on my
knee, which induced severe pain and swell-
ing, I was advised to apply to Dr. Tisot's
Gout and Rheumatic Drops, and on taking the
part with them only a few times, and accord-
ing to the directions, they effected a perfect
cure. Another time my wrist was affected
with rheumatism to such a degree, as to ren-
der my hand for the time useless, when on
applying application of the same remedy in
like manner the disorder in the course of
twenty-four hours was entirely removed.
I therefore from the experience I have had
of the efficacy of said medicine, consider it a
beneficial act, to recommend it in similar
cases to others.

so that I was unable to walk without crutches.
I was apprehensive that this accident would
induce a severe fit of the gout, with which I
had been frequently attacked. In this situa-
tion one of my friends highly recommended

Gout and Rheumatic Drops. I immediately
procured them and made the application; in
less than three hours the pain entirely abated,
which had been so severe, as to deprive me of

DR. TISSOT'S
CELEBRATED GOUT AND RHEUMA-
TIC DROPS
The Gout, Rheumatism, Lumbago, and the
various disorders of the same nature, are so
exquisitely painful, and so difficult to be cured,
that they have justly excited the utmost ex-
ertion of medical investigation. Some professional
gentlemen have excelled in one department of
the sciences; others in another. Dr. Tissot
particularly has long been renowned for the
superiority of his prescriptions in rheumatic
diseases, and the length of time which elapsed
during his sole attention to the nature and
effects and cure of these affections, render
the medicines which he recommended of in-
valuable importance. The beneficial effects of
these drops, have been so often experienced,
and their extraordinary efficacy has been at-
tested by witnesses so numerous and so unim-
peachably credible, that incredulity itself
cannot doubt the virtues of Dr. Tissot's Gout
and Rheumatic Drops. Large quantities have
already been vendued, and the sale is now be-
come so general, and their certainty in curing
the disorders of a chronic nature is so com-
pletely ascertained, that certificates of their
unbounded utility are now unnecessary. Testi-
monies of their value, and a volume of at-
tested cases performed by them, may be seen
upon application at T. W. Dyott's genuine
drug and patent medicine warehouse, No. 37,
South Second street, Philadelphia.
The price of Dr. Tissot's Gout and Rheu-
matic Drops, is only two dollars per bottle,
with copious directions.
Generous allowances made to those who buy
to sell again.

effects of the above drops, which have been
