

**For Sale.**

The subscribers offer for sale the following PROPERTY, at private sale, until Thursday, the 31st of December next: Runney Farm, situated in Bush River Neck, Harford county, bounded by Bush River on the west, and by Runney on the east, both navigable rivers—containing 360 acres of the best land in the state of Maryland. The stock on said Farm consisting of Negroes men, women, and boys; Horses, Mules, Oxen, Milch Cows, Hogs, Sheep, Farming Utensils, Corn, Wheat, &c. will be sold there-with, or separately, as may suit the purchaser.

One individual piece of a Tract of Land, situated also in Bush River Neck and about 2 miles below Runney Farm, called *Sheppard's Good Friendship*, said to contain about 100 acres. The whole of this last Tract is Wood-Land, and lies very convenient to navigation on an every side.

Montreal, lying within 3, 4 and 5 miles of the head of Bush River, and containing 361 acres. The whole of this Tract is also wood-land, & very heavily timbered. A considerable part of it is covered with Hickory, which might be advantageously conveyed to the Baltimore market. The rapid increase of the city of Baltimore and the increasing scarcity of wood within its vicinity, render this land worthy the attention of the speculator. It will be sold in one body, or laid off in lots, as may suit purchasers.

A part of Nova Scotia, containing 130 acres being part of the Tract formerly in the possession of Barney Riley, and adjoining Mr. J. Piton's, situated within two miles of the head of Bush River, and is altogether covered with Wood—Hickory, Oak, and Chestnut. The proximity of this Land, to navigation, the quantity of Wood growing on it, and consequently the easy conveyance of it to Baltimore market, will insure to the purchaser a handsome remuneration for all his advances.

A few acres of Land, adjoining Mr. Parker Gilbert's Land, and being part of the same Tract. The number of acres not yet ascertained. This Land lies on the post road, between Bush and Havre de Grace, and will be more particularly described when surveyed.

And lastly, two Brick Houses, in Bush-Town, with one Lot of Ground, containing about two acres. Should not the aforesaid Property be disposed of at private sale, it will be exposed at public vendue—viz. At Runney, on Thursday, the 31st day of December next, Runney Farm, with all the Stock thereon, (Negroes excepted.) Also, Sheppard's Good Friendship.

And at Bush-Town, on Monday, the 4th day of January next, at the house of Messrs. Welsh and Lee, the remainder of the above described Property. A liberal credit will be given for the purchase money, the purchaser giving bonds, with satisfactory security for the amount, with interest, payable annually.—Attendance will be given and terms of sale made known by  
WM. HALL, and  
EDWARD HALL,  
Executors of Thomas Hall

VETERINARY SURGEON, Or  
FARRIER,

No. 41, JONES-STREET, Old Town,

Continues to offer his professional services to the citizens of Baltimore, and informs them that he has opened a Shop, in the above street, for the Shoeing of Horses feet, according to the modern improved plan; that is on the following principle:—The Frog of the foot never to be pared, to bear equal weight with the shoe, and the shoe to be forged in such a manner as to bear a level surface on the ground and at the same time a sufficient space between the shoe and sole of the foot.

It would appear, at first thought that the frog pressing on the ground would injure the horse; but when we consider the shape, situation, quality and composition of the frog, together with its connection with the external and internal parts of the foot, we must acknowledge it was placed there for most essential purposes. It is elastic, and the shape of a wedge, convex, and placed in the centre of the heels.

This wedge like shape, and convexity must be intended for some purpose, and that is to keep the heels expanded, which operation takes place in the following manner:—allow the frog to press on the ground, and when ever the horse sets his foot down, the frog ascends, that is, it rises up between the heels; when he takes it up, the frog descends and by this alternate motion the heels are preserved expanded. The foot forms half a circle, which is the natural shape of a colt's foot, and a proper elastic motion is kept up in the parts composing the heels—again, the frog, when subjected to press on the ground, prevents the horse from slipping and by its elastic quality acts as a spring.

It is found by experience that a perpetual pressure may be given to a living substance, and it will be attended with no inconvenience, when a partial pressure will cause most exquisite pain.

This is demonstrated in a person whose living is by the hammer; he feels no inconvenience; when a person whose hand is soft, begins to work with the hammer for a little time, he feels great pain. The same is also the case with the frog of the horse's foot, though it is cut and raised from the ground, as it is the common practice, and not admitted to press on an even surface, it will meet with pressure on gravelly ground, or any uneven surface; therefore it is better it should have perpetual or constant pressure.

Independent of the reasonable appearance of the above theory, no one has cause for fear in the practice. It has been adopted for several years past at the Veterinary College of London, and in numerous instances in this city, by my direction, with the most salutary effects.

The plan of Shoeing in fact differs from the plan in warmer weather.

It is expected these few observations are sufficient, but any further explanation will be given by calling on me.

What I mean by partial pressure, is a pressure sometimes.

**Dr. ROBERTSON'S**

CELEBRATED  
STOMACHIC ELIXIR OF HEALTH,

Which has proved by experience, to be the most valuable medicine ever yet offered to the public for curing the Gout, Cramp, and wind in the stomach; also a certain cure for the Dysentery, or Bloody Flux, Cholera Morus, severe gripings, and all other diseases of the bowels; a dose necessarily to remove a cold taken soon after its first appearance. It is also celebrated for carrying off superfluities bile, removing habitual coarseness, sickness at the stomach, severe headache, &c. &c.

The following certificates are selected from the many respectable ones lately received by the proprietor, and are now in his possession.

**CERTIFICATE,**

Of Mr. William Julion, Carpenter and builder,  
No. 69, south Fifth street, Philadelphia.

Sir, My wishes to promote the interest of superior merit, and to afford consolation to the afflicted, induces me to request you will by my case before the public, as an incontestible proof of the astonishing efficacy of Dr. Robertson's invaluable Stomachic Elixir of Health.

I do hereby certify, that I was seized most violently with the dysentery, or bloody flux, which reduced me so much, that I was confined to my bed, and became so weak that I could not move without assistance. My situation at that time being so seriously alarming, as no relief could be obtained, I was given over, and even death would have been desirable to me, had not a friend of mine, who by chance called to see me, who had just recovered from a similar complaint, though not so severe as mine. He informed me that he was cured by taking Dr. Robertson's Stomachic Elixir of Health, and advised me to send you for a bottle. I immediately did so, and by following your instructions given with the bottle, before I had taken half a bottle, I found myself much relieved, and my disorder greatly abated, and by continuing to take it, in one week I was able to walk out, and in less than a fortnight was able to attend to my business.

I therefore recommend every family to be provided with this invaluable medicine, particularly those who live at a distance in the country, where the assistance cannot be immediately obtained. As I am convinced that Dr. Robertson's Stomachic Elixir of Health, is the most effectual remedy in the world, I have since recommended it to several of my friends in similar complaints, who have always been relieved immediately after taking it.—Should any person wish to be more fully convinced of my case, I will with pleasure explain it to them by applying to me.

I am with a due sense of the benefit I have received, through the efficacy of your medicine,  
Sir, your humble servant,  
WM JULION.

Mr. DYOTT,  
Philadelphia, July 15th, 1807.

**CERTIFICATE,**

Of Mr. John T. Solomon, Sixth near Race-Street, Philadelphia.

Sir, For the good of the public and benefit of the afflicted, I think proper to inform you, that having labored for upwards of six months under a very bad cough, attended with difficulty of breathing, pains in my breast and side, and a sickness at my stomach; having lost all appetite, I became so very much reduced in my strength as to be unable to walk. I was considered in a consumption, and given up for a lost man. In this hopeless situation I had recourse to Dr. Robertson's Stomachic Elixir of Health, and to my great astonishment, before I had taken one bottle, found myself very much relieved. I expectorated a great quantity of phlegm, which had each one of the most violent coughs that ever a man had; I have taken it regularly ever since, and now find myself completely recovered, and shall certainly, for the benefit received, recommend it as far as I can, believing it to be a most efficacious medicine in the above complaint.

I am, Sir,  
With real respect,  
Your obedient humble servant,  
JOHN T. SOLOMON.

Mr. T. W. DYOTT,  
August 22.

**CERTIFICATE**

Of Mr. Peter Denman, No. 278, south Second-street, Philadelphia.

DEAR SIR, It is with the utmost satisfaction I inform you of the cure effected by your truly invaluable Stomachic Elixir of Health, as the whole of my family, including myself, being six in number, were violently affected with the influenza, attended with very bad coughs, pains in the limbs, and difficulty of breathing, which continued to increase. I applied to a physician, but his medicines had no effect—Just at that time, having heard of the cures made by Dr. Robertson's Stomachic Elixir of Health, I determined to try a bottle of it; I did, and its effects exceeded my expectations. The first two or three doses caused me to expectorate a vast quantity of tough viscid phlegm, and so speedily removed every symptom of the cold, that by the time we had taken three bottles we were all perfectly cured, except a weakness that remained, for which I have administered Dr. Robertson's Patent Wine Bitters, and have found them wonderfully efficacious in strengthening the system, and destroying of worms, as two of my children have voided a vast quantity by taking them, and are now growing strong and healthy. I have since recommended the above medicines to a number of my friends, who have been immediately relieved by taking them.

It is my desire that you publish this case of my family for the benefit of the public, and those who may be afflicted. Any person desirous of further information, may have every satisfaction by applying either by letter or personally to me.

I am, Sir,  
Your obedient humbleservant,  
PETER DENHAM.

Sept. 16, 1807.

Dyott, No. 57, south Second street, Philadelphia; and by his appointment, at Edme Ducatel's, apothecary and chymist, No. 26, Market-street, and John Love's Drug & Patent Medicine Store, No. 16, Centre Market Space, Baltimore; J. DR. ROBERTSON'S  
PATENT STOMACHIC WINE BITTERS,

**DR. TISSOT'S**

CELEBRATED GOUT AND RHEUMATIC DROPS.

The Gout, Rheumatism, Lumbago, and the various disorders of the same nature, are so exquisitely painful, and so difficult to be cured, that they have justly excited the utmost stretch of medical investigation. Some professional gentlemen have excelled in one department of the sciences; others in another. Dr. Tissot particularly has long been renowned for the superiority of his prescriptions in chronic diseases, and the length of time which elapsed during his sole attention to the nature and effects and cure of these affections, render the efficacy of which he recommended of invaluable importance. The beneficial effects of these drops, have been so often experienced, and their extraordinary efficacy has been attested by witnesses so numerous and so unimpeachably credible, that incredulity itself cannot doubt the virtues of Dr. Tissot's Gout and Rheumatic Drops. Large quantities have already been vendued, and the sale is now become so general, and their certainty in curing the disorders of a chronic nature is so completely ascertained, that certificates of their unbounded utility are now unnecessary. Testimonies of their value, and a volume of attested cases performed by them, may be seen upon application at T. W. Dyott's genuine drug and patent medicine warehouse, No. 57, South Second-street, Philadelphia.

The price of Dr. Tissot's Gout and Rheumatic Drops, is only two dollars per bottle, with copious directions.

Generous allowances made to those who buy to sell again.

Of the many respectable testimonials of the effects of the above Drops, which have been received by the proprietor, we beg leave to annex the following

**CERTIFICATE**  
Of General Rigely of Hampton.

I certify that having received a blow on my knee, which induced severe pain and swelling, I was advised to apply to Dr. Tissot's Gout and Rheumatic Drops, and on taking the part with them only a few times, agreeably to the directions, they effected a perfect cure. Another time my wrist was affected with rheumatism to such a degree, as to render my hand for the time useless, when on making application of the same remedy in like manner, the disorder in the course of twenty-four hours was entirely removed.

I therefore from my experience I have had of the efficacy of said Drops, consider it a beneficent act, to recommend it in similar cases to others.

(Signed) C. RIDGELY, of Hamp

**CERTIFICATE**  
Of John Gibson, esq. one of the directors of the Farmers' Bank of Maryland.

I certify that about a year since, my foot received an injury by a fall; in a few hours after it was affected with a most excruciating pain, so that I was unable to walk without crutches. I was apprehensive that this accident would induce a severe fit of the gout, with which I had been frequently attacked. In this situation one of my friends highly recommended and earnestly advised me to apply Dr. Tissot's Gout and Rheumatic Drops. I immediately procured them and made the application; in less than three hours the pain entirely abated, which had been so severe, as to deprive me of sleep for several nights. By a few further applications, a perfect cure succeeded. I have frequently since in other cases, both used them myself, and recommended them to others with invariable success.

(Signed) JOHN GIBSON.

**CERTIFICATE**  
Of Mrs. Mary Taylor.

I, Mary Taylor, No. 135, Plum-street, Philadelphia, aged upwards of 70 years, having been afflicted with very violent rheumatic pains for more than eight years, being recommended to apply Dr. Tissot's gout and rheumatic drops on only using half a bottle every rheumatic affection was completely removed, and I have continued free from all pain ever since; as witness my hand.

MARY TAYLOR.  
The above drops are sold wholesale and retail only by the sole agent,

At his genuine drug & patent medicine warehouse, No. 57, South Second Street, second door below Chesnut street, Philadelphia, and by his appointment, at Edme Ducatel's Apothecary and Chymist, No. 26, Market-street; at John Love's Drug & Patent Medicine Store, No. 16, Market-space Baltimore—at I. and T.
