TWO HUNDRED DOLLARS REWARD.

Absconded from my Bed-room last night, after having robbed me of my trunk, containing four hundred and sixty dollars. Of the above sum two hundred dollars are in gold, one hundred & fifty in silver, & the rest in notes; also all my wearing apparel, together with all my papers. The Robber's name is JOHN SOLACE, is a Frenchman, cannot speak but very little English. It would be useless to try to describe his dress, because he will change them. He is about five feet four inches high, dark complexion, sunken eyes, short nose, full eye brows, large mouth and chin. He is likely to be dressed in sailor's Clothes. Whoever stops the said villian so that the money may be recovered shall have two hundred dollars reward, and all reasonable charges paid him, JOHN GUEROY,

A Minister Wanted.

William and Mary Parish, in Saint Mary's county, is vacant, and a Minister much wanted. All the advantages taken into view, this may be considered as one of the best country parishes in the state; it has belonging to it a glebe, containing upwards of 300 acres of most valuable farming Land, which, when well cultivated, has never failed to yield a handsome support for a family; it lies in a healthy, thick settled neighborhood, on a large extensive creek, abounding at all seasons of the year with the finest fish and oysters, with a comfortable Dwelling House, with three rooms on a floor, and all necessary out houses; the annual value may be estimated at 200 dollars, the vestry having refused that sum for it for the ensuing year, and the subscriptions have generally amounted to 300 dollars per annum. To a Clergyman wishing a permanent settlement, these, with the other advantages attached to the situation, merit attention.

Notice.

THE subscriber having taken out letters of administration from the orphan's court of Baltimore county, on the estate of his deceased father, *Daniel Bowly*, requests all persons indebted to said estate, to make payment to Mr *Henry Thomson*, No. 53, Smith's Wharf, who is duly authorised to receive the same; and all persons having claims are desired to present them properly authenticated to him for settlement.

WILLIAM L. BOWLY.

In virtue of the above notice, I particularly request that all Debts and Ground Rents now due the estate of D. Bowly, esq. deceased, and as they hereafter become due may be paid without delay, as here is the greatest necessity for punctuality on the part of Lessees. I hope due attention will be paid to this request, otherwise compulsory means will be resorted to. HENRY THOMPSON.

Ran-away from the subscriber on 26th December last, a Mulatto Man named TONEY, a blacksmith by trade: he is about 24 years of age, 5 feet 10 inches high—had on when he went away a dark cloth surtout coat and pantaloons—his right foot has been broken, which causes him to limp, and is much larger than the other. He travelled in the stage from Edenton to Suffolk, the 28th ult. I have understood he went by the name of Benjamin James while in Suffolk—I expect he will endeavor to pass as a free man. The following Order to be

published three weeks in the American and Federal Gazette, at Baltimore; the Maryland Gazette, at Annapolis; and the Republican Advocate, at Frederick-town; Maryland Herald, at Hagar's-town; and the Star, at Easton.

Adjutant-General's Office,

ANNAPOLIS, 19th Dec. 1807.

WHEREAS the repeated orders and applications to several of the commanding officers of regiments and battalions for their returns, have hitherto proved abortive, I have now the Governor's order, as commander in chief of the militia of this State, explicitly to require officers, whose returns have been thus neglected to make them to me without delay. The time has arrived when the energies of our country shall be called for, but the call will be lost and ineffectual, unless our military orders are more strictly enforced, and more cheerfully obeyed.

Baltimore Equitable Society.

To the inhabitants of the city of Baltimore and five miles round the same:

WHEREAS many persons have an idea, & expect that the "Baltimore Fire Insurance Company" about to be instituted in this city, is to supercede the business of the "Baltimore Equitable Society, for the Insuring of houses from loss by Fire," and that the said society is to be dissolved, as soon as the former should get into operation.

To remove the aforesaid misapprehenzions, the Board of Directors of the *Baltimore Equitable Society*, conceive it a duty they owe to their *numerous fellow members*, for whom they act, as well as the citizens in general, to inform them that it was never presumed, that the proposed new institution in its useful operations would be injurious to the *Baltimore Equitable Society*, which is established on a principle so benevolent, as to manifest its propriety to every judicious observer, and which has prospered so eminently within a few years past, as perhaps to equal, or exceed any thing of the kind in this country; but being so circumscribed by the law of incorporation as not to exceed the distance of five miles from the city, and the insurances confined to brick and stone buildings. That from the great increase of the city, and wealth of its inhabitants, and country adjacent, that it became absolutely necessary that an *Office of Insurance* should be opened to embrace every kind of property, that the *Baltimore Equitable Society* could not effect, which appears to be the principle on which the *Baltimore Fire Insurance* is established.

Extract from the Monthly Review, Vol. 75 page 522.

"This is a first rate publication. Its plan is irregular, but most extensive; for it takes in the whole compass of nature (that is, what we can see or conjecture of it,) both in the *Physical* and *Moral* world. It is in point of originality, one of the most remarkable productions we have met with, for besides a multitude of new ideas, the old ones acquire an aspect of novelty in passing through the author's pen, and we do not recollect any writer who has drawn so constantly from an internal fund of native genius and deep observation. He attacks, without respect of persons what he looks upon as erroneous; but his attacks are always conducted with decency, candour and amenity. *He never quits the main ground of GENUINE RELIGION.*"

Extract from the Monthly Review, Vol. 34, new series.

"Of the Studies of Nature we formerly gave our opinion, which the suffrage of the Public for a period of fifteen years has abundantly confirmed We praised the work for the boldness and originality of the conception on which the plan was formed; for its comprehensiveness, being commensurate in a certain sense with nature itself; for the native genius and deep research, with which the author treats, embellishes, and enriches his subject; and for the eloquent and lively diction in which he discusses topics, which, under the pen of an ordinary writer, would have been dull, elaborate, and revolting," &c. &c
