Fifty Dollars Reward.

Ran-away from the subscriber on 26th December last, a Mulatto Man named TONEY, a blacksmith by trade: he is about 24 years of age, 5 feet 10 inches high—had on when he went away a dark cloth surtout coat and pantaloons—his right foot has been broken, which causes him to limp, and is much larger than the other. He travelled in the stage from Edenton to Suffolk, the 28th ult. I have understood he went by the name of Benjamin James while in Suffolk—I expect he will endeavor to pass as a free man. The above reward will be given to any person who will secure him in any jail so that I get him again, and all reasonable charges paid if delivered to me in Plymouth, North-Carolina.

The following Order to be

published three weeks in the American and Federal Gazette, at Baltimore; the Maryland Gazette, at Annapolis; and the Republican Advocate, at Frederick-town; Maryland Herald, at Hager's-town; and the Star, at Easton.

Adjutant-General's Office,

ANAAPOLIS, 19th Dec. 1807.

WHEREAS the repeated orders and applications to several of the commanding officers of regiments and battalions for their returns, have hitherto proved abortive, I have now the Governor's order, as commander in chief of the militia of this State, explicitly to require officers, whose returns have been thus neglected to make them to me without delay. The time has arrived when the energies of our country shall be called for, but the call will be lost and ineffectual, unless our military orders are more strictly enforced, and more cheerfully obeyed

That Valuable and highly Improved,

F A R M,

Late the residence of James Winchester, Esq deceased:

Situate in Baltimore county, about sixteen miles from the City of Baltimore, and about two miles west of the York turnpike road, in as healthy a neighborhood as any in the county. This Farm contains five hundred and twenty-six and a half acres, of fertile land, producing annually the most bountiful crops of all kinds of grain and grass, and watered with so many never failing springs, that the whole may be divided into as many fields as pleasure or fancy might suggest, with the advantage of water in each; with an abundance of the most beautiful and lofty thriving timber for the support of the Farm. There is about twenty acres of timothy meadow, well set and in high order, sixty more may be made at the small expence of cutting a water course, as the land has already been in cultivation; there is also about one hundred and twenty acres well set in red clover, which (judging from the past) will produce a luxuirant crop the ensuing summer with about sixty acres of winter crop in the ground, wheat and rye.

The buildings (which are nearly new, have in all been erected within the last seven years) cosist of a large brick dwelling house, two stories high, with cellar, back buildings, and kitchen all completely and elegantly finished, delightfully situated on an eminence commanding a view of the adjacent farms, and a public county road.

A spacious stone dairy supplied from a fountain of the purest spring water, which is conducted through pipes near the kitchen door, and is amply sufficient for all the purposes of the Farm and a distillery. A large brick meat house, a brick ice house, a new frame office with stone chimney, a large frame corn house and grainery, with carriage house below; overseer's house, negro house, and all other necessary out-houses; also, a large handsome well built brick barn, forty feet wide and eighty long, with stables (under the whole) sufficient to contain fifty horses, with a fountain of water in the barn yard; also a small mill, almost new, with one pair of Cologne stones, erected for the purpose of grinding rye, corn and Plaister of Paris, for the use of the farm, but which might be turned to more productive purposes; also a very handsome falling garden in a high state of cultivation, well stored with the cohicest vegetables, and a collection of the best fruits and vines from the most celebrated nurseries and vine yards in Pennsylvania and New-York. There is also on this farm, a large apple orchard, with an abudance of the best peaches and cherries.

The terms of sale will be one-fourth of the purchase money at the time of sale, the remaining 3 4ths, in three equal annual payments with interest from the day of sale, the payments to be secured by bonds with approved security, and the interest payable *aunually.* The purchaser may have possession in 10 or 12 days after the sale—and on payment of the whole purchase money and interest as aforesaid, a deed will be given for said land, *free and clear of all incumbrance.* Either of the subscribers (or Mr. *John C. Owings,* living near the premises) will shew the farm to any person desirous to view the same.
