MUSEUM.

No. 6, Water-street, between Calvert and South-Streets.

A NEW ADDITION TO

The Baltimore Museum,

Of another room, so that it now consists of 3 rooms...the first contains an elegant collection of BIRDS from South-America, with a variety of this Country Birds; and a

Superb Collection of

WAX-FIGURES;

Amongst those are,

Washington and Franklin, three Ministers of the Gospel of New York, Bishop Moore, Doctors Rogers and Livingston.

The second room contains Wax Figures, Prints, Paintings, Animals, Snakes, and a variety of other curiosities too numerous to mention.

The third room is furnished with Prints, Paintings, and two beautiful Marble Figures as large as life. They have a little light dress on, so that they are very decent. Those figures are so well known that I need only say they are the Venus De Medicis and the Apollo Belvidere, and are only deposited for a few days.

The proprietor has spared no pains or expence to get the Museum as forward as possible, and he flatters himself that he has got it so extensive and so well arranged, that it will meet with the approbation and encouragement of the citizens in general, as the credit of an institution of this kind must ever depend on the encouragement of the citizens, and they may rest assured, that there shall be no want on his part, to make it one of the first in the U. States. This I think they will be sensible of when they see how forward I have got it in about eight weeks.

CELEBRATED

STOMACHIC ELIXIR OF HEALTH,

WHICH has proved by experience, to be the most vaulable medicine ever yet offered to the public for curing the Gout, Cramp, and wind in the stomach; also a certain cure for the Dysentery, or Bloody Flux, Cholera Morus, severe gripings, and all other diseases of the bowels, a dose never fails to remove a cold if taken soon after its first appearance. It is also celebrated for carrying off superfluous bile, removing habitual cotiveness, sickness at the stomach, severe head-ache, &c. &c.

The following certificates are selected from the many respectable ones lately received by the proprietor, and are now in his possession.

CERTIFICATE,

Of Mr. William Julion, carpenter and builder, No. 69, south Fifth street, Philadelphia.

SIR,

My wishes to promote the interest of superior merit, and to afford consolation to the afflicted, induces me to request you will lay my case before the public, as an incontestible proof of the astonishing efficacy of Dr. Robertson's invaluable Stomachic Elixir of Health.

I do hereby certify, that I was seized most violently with the dysentery, or bloody flux, which reduced me so much, that I was confined to my bed, and became so weak that I could not not move without assistance. My situation at that time being so seriously alarming, as no relief could be obtained, I was given over, and even death would have been desirable to me, had not a friend of mine, who by chance called to see me, who had just recovered from a similar complaint, though not so severe as mine. He informed me that he was cured by taking *Dr Robertson's Stomachic Elixir of Health*, and advised me to send to you for a bottle. I immediately did so, and by following your instructions given with the bottle, before I had taken half a bottle, I found myself much relieved, and my disorder greatly abated, and by continuing to take it, in one week I was able to walk out, and in less than a fortnight was able to attend to my business.

I therefore recommend every family to be provided with this invaluable medicine, particularly those who live at a distance in the country, where assistance cannot be immediately obtained. As I am convinced that Dr. Robertson's Stomachic Elixir of Health, is the most effectual remedy in the world, I have since recommended it to several of my friends in similar complaints, who have always been relieved immediately after taking it.—Should any person wish to be more fully convinced of my case, I will with pleasure explain it to them by applying to me.

I am with a due sense of the benefit I have received, through the efficacy of your medicine,

Sir, your humble servant,

WM JULION.

MR. DYOTT.

Philadelphia, July 15th, 1807.

CERTIFICATE,

Of Mr. John T. Solomon, Sixth near Race-Street, Philadelphia.

SIR... For the good of the public and benefit of the afflicted, I think proper to inform you, that having labored for upwards of six months under a very bad cough, attended with difficulty of breathing, pains in my breast and side, and a sickness at my stomach; having lost all appetite, I became so very much reduced in my strength as to be unable to walk. I was considered in a consumption, and given up for a lost man. In this hopeless situation I had recoure to Dr. *Robertson's Stomachic Elixir of Health*, and to my great astonishment, before I had taken one bottle, found myself very much relieved. I expectorated a great quantity of phlegm, which has eased me of one of the most violent coughs that ever a man had; I have taken it regularly ever since, and now find myself completely recovered, and shall certainly, for the benefit received, recommend it as far as I can, believing it to be a most efficacious medicine in the above complaint.

I am, Sir,

With real respect,

Your obed't humble servant,

JOHN T. SOLOMON.

CERTIFICATE

Of Mr. Peter Denman, No. 278, south Second-street, Philadelphia.

DEAR SIR,

It is with the utmost satisfaction I inform you of the cure effected by your truly invaluable Stomachic Elixir of Health, as the whole of my family, including myself, being six in number, were violently affected with the influenza, attended with very bad coughs, pains in the limbs, and difficulty of breathing, which continued to increase. I applied to a physician, but his medicines had no effect.—Just at that time, having heard of the cures made by Dr. Robertson's Stomachic Elixir of Health, I determined to try a bottle of it; I did, and its effects exceeded my expectations. The first two or three doses caused me to expectorate a vast quantity of tough vicid phlegm, and so speedily removed every symptom of the cold, that by the time we had taken three bottles we were all perfectly cured, except a weakness that remained, for which I have administered Dr. Robertson's Patent Wine Bitters, and I have found them wonderfully efficacious in strengthening the system, and destroying of worms, as two of my children have voided a vast quantity by taking them, and are now growing strong and healthy. I have since recommended the above medicines to a number of my friends, who have been immediately relieved by taking them.

It is my desire that you publish this case o my family for the benefit of the public and those who may be afflicted Any person desirous of further information, may have every satisfaction, by applying either by letter or personally to me

I am, Sir,

Your obedient humble servant,

PETER DENHAM.

DR. TISSOT'S

CELEBRATED GOUT AND RHEUMATIC DROPS

The Gout, Rheumatism, Lumbago, and the various disorders of the same nature, are so exquisitely painful, and so difficult to be cured, that they have justly excited the utmost stretch of medical investigation. Some professional gentlemen have excelled in one department of the sciences; others in another. Dr. Tissot particularly has long been renowned for the superiority of his prescriptions in chronical diseases, and the length of time which elapsed during his sole attention to the nature and effects and cure of these affections, render the medicines which he recommended of invaluable importance. The beneficial effects of these drops, have been so often experienced, and their extraordinary efficacy has been attested by witnesses so numerous and so unimpeachably credible, that incredulity itself cannot doubt the virtues of Dr Tissot's Gout and Rheumatic Drops. Large quantities have already been vended, and the sale is now become so general, and their certainty in curing the disorders of a chronico nature is so completely ascertained, that certificates of their unbounded utility are now unecessary. Testimonies of their value, and a volume of attested cases performed by them, may be seen upon application at T. W. Dyott's genuine drug and patent medicine warehouse, No. 57, South Second street, Philadelphia

The price of Dr Tissot's Gout and Rheumatic Drops, is only two dollars per bottle, with copious directions.

Generous allowances made to those who buy to sell again.

Of the many respectable testimonials of the effects of the above drops, which have been received by the proprietor, we beg leave to annex the following

CERTIFICATE

Of General Ridgely of Hampton.

I certify that having received a blow on my knee, which induced severe pain and swelling, I was advised to apply to Dr. Tissot's Gout and Rheumatic Drops, and on bathing the part with them only a few times, agreeably to the directions, they effected a perfect cure. Another time my wrist was affected with rheumatism to such a degree, as to render my hand for the time useless, when on making application of the same remedy in like manner, the disorder in the course of twenty-four hours was entirely removed.

I therefore from the experience I have had of the efficacy of said medicine, consider it a beneficent act, to recommend it in similar cases to others.

CERTIFICATE

Of John Gibson, esq. one of the directors of the Farmers' Bank of Maryland

I certify that about a year since, my foot received an injury by a fall; in a few hours after it was affected with a most excruciating pain, so that I was unable to walk without crutches. I was apprehensive that this accident would induce a severe fit of the gout, with which I had been frequently attacked. In this situation one of my friends highly recommended and earnestly advised me to apply Dr. Tissot's Gout and Rheumatic Drops. I immediately procured them and made the application; in less than three hours the pain entirely abated which had been so severe, as to deprive me of sleep for several nights. By a few further applications, a perfect applications, a perfect cure succeeded. I have frequently since in in other cases, both used them myself, and recommended them to others with invariable success.
