Land for Sale,

Within Eight Miles of Baltimore.

Adjoining the Lands of Cornelius Howard, esq. and Dr. Cromwell, and within half a mile of major Beam's Tavern, on the Reister's-town Turnpike Road. The Land offered for sale is about 210 acres, fifteen acres are now in meadow and thirty more can easily be made, nearly one-fourth of the tract is covered with young thriving timber, and the residue of arable land, superior to almost any in the neighborhood, well adapted to the use of Plaister, and divided into convenient and well watered fields by good fences. The improvments are a good dwelling house, kitchen & out-houses, with a pailed garden and yard.

Also an Apple and Peach Orchard of choice fruit, it is presumed no person will purchase without first viewing the premises, therefore it is only necessary to remind the public that its contiguity to the city, on a fine Turnpike road and in a most excellent neighborhood renders such a situation rare to be met with, particularly within that distance of Baltimore; few men in Maryland can boast of having a more healthy retreat. Those inclined to view the premises may apply to Mr. Thomas Darlington, residing thereon, and for terms of sale to the subscriber at the lower end of Bowly's wharf. ELIJAH WARFIELD.

When the highly interesting object of the above *Scheme of a Lottery* is considered; together with the very flattering prospect it holds out to every person disposed to contribute *Ten Dollars* for so laudable a purpose as that of bringing a Collegiate course of instruction more generally within the reach of the Community, it is hoped it cannot fail to receive a prompt and liberal support from the citizens of Baltimore in particular, and the public in general.

When it is also taken into view, that the *Baltimore College* hath received the first sanction o the State, and that it already contains a number of students equal to that of most Colleges in the United States; and yet has no accommodations but such as are at the private expence of the principal professors—it is hoped the community will see in this mode of providing proper buildings, no design but what is indispensibly necessary, and conducive to general interest

That Valuable and highly Improved,

F A R M,

Late the residence of James Winchester, Esq deceased:

Situate in Baltimore county, about sixteen miles from the City of Baltimore, and about two miles west of the York turnpike road, in as healthy a neighborhood as any in the county. This Farm contains five hundred and twenty six and a half acres, of fertile land, producing annually the most bountiful crops of all kinds of grain and grass, and watered with so many never failing springs, that the whole may be divided into as many fields as pleasure or fancy might suggest, with the advantage of water in each; with an abundance of the most beautiful and lofty thriving timber for the support of the Farm. There is about twenty acres of timothy meadow, well set and in high order, sixty more may be made at the small expence of cutting a water course, as the land has already been in cultivation; there is also about one hundred and twenty acres well set in red clover, which (judging from the past) will produce a luxuirant crop the ensuing summer with about sixty acres of winter crop in the ground, wheat and rye.

The buildings (which are nearly new, having all been erected within the last seven years) consist of a large brick dwelling house, two stories high, with cellar, back buildings, and kitchen, all completely and elegantly finished, delightfully situated on an eminence commanding a view of the adjacent farms, and a public county road.

A spacious stone dairy supplied from a fountain of the purest spring water, which is conducted through pipes near the kitchen door and is amply sufficient for all the purposes of the Farm and a distillery. A large brick meat house, a brick ice house, a new frame office with stone chimney, a large frame corn house and grainery, with carriage house below; overseer's house, negro house, and all other necessary out-houses; also, a large handsome well built brick barn, forty feet wide and eighty long, with stables (under the whole) sufficient to contain fifty horses, with a fountain of water in the barn yard; also a small mill, almost new, with one pair of Cologne stones, erected for the purpose of grinding rye, corn and Plaister of Paris, for the use of the farm, but which might be turned to more productive purposes; also a very handsome falling garden in a high state of cultivation, well stored with the choicest vegetables, and a collection of the best fruits and vines from the most celebrated nurseries and vine yards in Pennsylvania and New-York. There is also on this farm, a large apple orchard, with an abudance of the best peaches and cherries.

The terms of sale will be one-fourth of the purchase money at the time of sale, the remaining 3 4ths, in three equal annual payments with interest from the day of sale, the payments to be secured by bonds with approved security, and the interest payable *annually.* The purchaser may have possession in 10 or 12 days after the sale—and on payment of the whole purchase money and interest as aforesaid, a deed will be given for said land, *free and clear of all incumbrance.* Either of the subscribers (or Mr. *John C.
