Kentucky LAND—*for Sale*

7000 acres of Land, in Christian county Keutucky.

It is only necessary to state in addition to what the subjoined certificates contain, that what is meant by the term *Barrens*, is extensive level plains, of the richest and most productive kind of soil, covered annually with luxurent crops of grass, and clear of all kind of timber. This land has the decided advantage over the common unimproved woodland, in that part of the country in as much as for the hundredth part of the labor, a man may have a farm, and with this advantage, that it is clear of trees and stumps at once, but has attached to it a sufficient quantity of timber to support the farms. This land will be sold on very advantageous terms, either for cash in hand, or in five equal annual payments, and a general warrantee deed made to the purchasers, or it would be exchanged for property in this city. Apply to Robert M'Clellan, 244 1-2, Market-street, Baltimore, or to David M'Clellan, 140, Washington-street, N. York.

CERTIFICATES

WE, the undersigned, citizens of Christian county, being requested by Mr David M'Clellan to certify our opinion of the soil and situation of a connection of 14,000 acres of land, lying in Christian county, called the "Pond-lick Connection" one half of which connection is now owned by him under contract, with Nehemiah Cravens, who in conjunction with Dr. Edward Ramsay, had previously purchased the same of Dr Beverly, A Allen —— do give it as our opinion that the soil of this connection is generally of the first quality of land, between Green River and the Tennessee state line. The connection is situated in the county of Christian, about 7 miles from the seat of justice, and about 12 miles from Cumberland River, and lies upon the waters of Main Little River, a watercourse of Cumberland, in a rich level country. The Land embraced in this connection, is rich and well calculated for the culture of Cotton, Tobacco, &c. &c. lies level with handsome elevated situations in various places and gently waving surface, and also embraces a grove of timber three miles and upwards in length, lying convenient and handsomely to adjacent barrens. There are upon it several other Groves of which we are not enabled to give a minute description. The timber in the grove first mentioned is of the best kind for enclosing farms; we do also conceive the tract of country lying on the south side of Green River, and bounded by the Tennessee state line, particularly that part of the country which lies upon the waters of Cumberland, to be more desirable and offer greater advantages to agriculture and commerce than any other part of the state of Kentucky. We can add that the above connection lies about 56 miles from the confluence of Ohio and Cumberland rivers, and that the country in which the connection is situated, is healthy Little River affords excellent Mill seats, and a short distance below this connection, there is now a Mill which runs the whole or greater part of the year: we can also add, that land has increased in price more than 200 per cent within the last 2 or 3 years, and a continuance of the increase of price and value may as we conceive be justly calculated on. Given under our hands at Hopkinsville, this 6th day of January, 1808.

James H. M'Laughlin,
Benj P Campbell,
Hervy Lane,
John Leston,
Edward Bradshaw.

Having been called upon by Mr. David M'Clellan to give a certificate relative to a connection of land of 14,000 acres lying on the waters of Little river, called the "Pond Lick Connection," I hereby certify that my personal knowledge of the land is but slight, having never seen but a small part of it, which well accords with the description given by Messrs. M'Laughlin, Campbell, and others: but from general information, as well as the high opinion that I entertain of Mr M'Laughlin, Mr. Campbell, Mr. Lane, Mr. Leston, and Mr. Bradshaw, I have no doubt but the land is fully equal to the description above given. Mr. M'Laughlin, is chief clerk of the circuit court of Christian; Mr. Bradshaw principal surveyor of Christian county; Mr. Lane a physician of respectability; and the other private gentlemen, all persons of the first respectability in this country, and to whose certificate I should attach as much credit as that of any gentlemen whatever. As to the title of this land, from the best information, I conceive indisputable, were it carried into grant. In the value of lands generally, in this part of the country, I concur with the above gentlemen in opinion, and from six years residence and actual observation, am confirmed in a belief of that part of their certificate which relates to the health of this country.

Given under my hand this 6th of January, 1808.

RAZIN DAVIDGE.

I, Assa Astes, a citizen of Christian county, Kentucky, do hereby certify, that I live about eight miles from a tract of land known by the name of "Pond Lick Connection" now owned by Dr. Edward Ramsay & David M'Clellan, and that I am well acquainted with said land, and that I consider it valuable and of the first quality: I do not think there is any tract of land in the state of Kentucky that offers greater advantages to farmers than this tract. I own three hundred acres of land where I live, for which I have refused 1250 dollars, and no part of mine is so valuable as the land above described; at least one hundred acres of my tract is not near so good as the Pond Lick Connection.

Given under my hand this 10th day of January, 1808.

ASSA ASTES.

Frankfort, 15th January, 1808.

I do hereby certify, that I am now and have been for several years personally acquainted with Razin Davidge, James H. M'Laughlin, and Edward Bradshaw, esqr. during which time Mr. Davidge has practised the law with high reputation in several courts in which I have presided as a judge, and in one of those courts Mr. M'Laughlin was and still is the clerk; Mr Bradshaw is the principal surveyor of Christian county: and have no doubt but that due faith & credit should be given to any statement they would make: I know I should certainly confide in it: as to Dr Lane, he being my brother-in law, I decline giving any opinion relative to him: Assa Easton is a plain farmer, whom I have generally heard well of. From my own knowledge of the land alluded to by the aforesaid gentlemen, and from the accounts I have uniformly received relative to the land, were it mine, I should be extremely reluctant to part with it. I have no doubt of its good quality, or the fertility of the soil; and I am much pleased with its situation, which is certainly not surpassed by any which this state affords; and I know of no dispute or doubt in the title.

NINIAN EDWARDS.

Frankfort, January 15, 1808.

I hereby ceriify, that the Hon. Ninian Edwards, who signs the foregoing certificate, is Chief Justice of the state of Kentucky and President of the Court of Appeals. I am acquainted with Messrs. Rezin Davidge, James H. M'Laughlin and Edward Bradshaw, and fully coincide with Judge Edwards in opinion of their respectability.
