GEORGE HILL,

The Domestic Medical Guide,

For the use of families and young practitioners or students in medicine and surgery, being a complete practical system of Modern Domestic Medicine, exhibiting, in familiar terms, the latest and most important discoveries relative to the prevention, distinction, causes and cure of diseases by MEDICINE & DIET; particularly consumption of the lungs, asthma, indigestion, flatulence, gout, scrophula, palsy, rheumatisms, cancers, worms, nervous and bilious complaints, the diseases of children, &c &c.

To which are added,

A FAMILY DISPENSATORY, and a copious Appendix, containing explicit instructions for the ordinary MANAGEMENT OF CHILDREN, and such cases and accidents which require immediate aid, &c.

By RICHARD REECE, M. D.

Fellow of the Royal College of Surgeons in London—author of a Treatise on the Lichen Islandicus, in diseases of the lungs, &c.

First American from the fourth London Edition.

Thus say the Reviewers:—

"It is of importance that every man should be enabled to know something of the laws of Life, the nature of diseases, and the most rational modes of cure.—For this purpose, Dr. Reece's Book is better adapted than any with which we are acquainted; It is more scientific and judicious than the Domestic Medicine of Buchan, which we have no doubt it will soon entirely supercede. Considered in this light, DR. REECE'S MEDICAL GUIDE is a most valuable performance.

Eighty Dollars Reward.

Ranaway from the subscriber, some time in November last, a tall straight well made dark Mulatto GIRL, named NELLY, alias *Nelly Short*, about eighteen or nineteen years of age She has a large proportion of hair or wool on her head, which she sometimes wears over her forehead, but generally plaited or braided, high cheak bones, large mouth, a small scar on one of her arms, and large feet and ancles. She is an excellent seamstress and a valuable house servant. Her cloathing I cannot describe, as he has a great variety chiefly calicoe, and India cotton. I have reason to believe she has obtained a certificate of freedom from some of those who have been manumitted, of course will change her name and endeavor to pass as free.

Also a Negro WOMAN, named LETT, alias *Letty* (of the same complexion as the above described) about thirty-six years of age low and corpulant, has a small black mark across the upper part of her nose, a heavy sleepy countenance, extremely slothful and inactive, and turns her toes in, considerably when she walks. Her cloathing cannot be described, as she also has a variety. She has made use of the same artifice to obtain a certificate as the former, and endeavor to pass as free. The above reward will be given to any person who will secure the said negroes in any jail, so that I get them again, or in proportion for either, and reasonable charges if delivered to the manager at my farm, adjacent to Port-Tobacco.
