FOR SALE AT THIS OFFICE, Good Printing Ink, (FORTY-FIVE CENTS PER POUND.) IN SMALL BOTTLES.

30 Dollars reward.

Absconded from my service on Sunday morning the 17th inst a young Negro Man, my property, named Jack (or Jack Martin,) eighteen or nineteen years of age; rather small in size, but strong built, and with large hands and feet; carries his head a little on one side, and his arms extended close to his sides in walking. He can read and write, and is remarkable for a talent in drawing, which he exercises by taking Likenesses in Profile &c.; undertakes to walk the slack wire, with other performances of ingenuity, of which, however, his appearance gives no indication, as he has not even much the air of a house servant.

I have reason to believe that he has taken the road to Baltimore, where he is well acquainted, particularly in Howard and Hanover streets. His dress was a blue Jacket and Trowsers with white buttons, but he probably has the means of changing it, and will doubtless provide himself with a pass. It is supposed that he will endeavor to get to Philadelphia, but he may possibly lurk some days in Baltimore, and as he has left his drawing materials behind him, may, perhaps be discovered in endeavoring to replace those articles. I will pay fifteen Dollars for his apprehension in Baltimore, twenty if taken on this side of the Susquehanna, and the above reward if taken beyond that river, and brought to Thomas Rogers, esq. of Baltimore, whose further engagements, in regard to expenses, I will also make good to any person who may go in quest of this Negro. All masters of vessels and others are forbidden from conveying away or harboring the said Negro at their peril.

JOHN KILTY, Annapolis

N. B. A suitable compensation will be made for taking up, and bringing home the said Negro, under circumstances different from those above mentioned. April 20. e4t

Pine Grove Furnace.

Will be sold at public sale, at the courthouse, in the borough of York, on Thursday, the 19th May next, one moiety, or undivided half, of this valuable estate, situate in Cumberland county, state of Pennsylvania, consisting of a large Blast Furnace; the stack, wheel, and Bellows, have been all lately rebuilt, in the most complete manner, together with a complete set of Iron Flasks, Patterns, and Apparatus for making all kinds of Castings. The several tracts of Land, attached thereto, contain about 7000 acres, more or less, on which are sundry improvements, and a large meadow very convenient to the stables and which affords abundance of excellent Hay for all stock, necessary to be kept on the premises. The stream is constant and sufficiently large for the purpose of Mills; to re-build a Grist and Saw Mill, considerable preparations are already made. The Ore being universally known and admitted to be of superior quality for all kinds of castings, Forge Hammers in particular, renders it needless to say more than that the Banks apparently inexhaustible. The road from thence to the Furnace is very level, and not more than 600 yards distant. Besides a convenient Limestone Quarry, there is also a very valuable slate quarry, which for several years past, has been used for various purposes in buildings and for tomb and other grave stones, as may be seen in most of the towns within 30 miles of the place: The situation is very healthy and abounds with excellent springs. An indisputable title will be given to the purchaser on complying with the terms of sale, which will be made known, at the time and place above mentioned.

There is a set of Boarders attached to this house, which pays considerably more than the amount of the rent.

To Let with the above, An extensive Lot 80 by 68 feet, with stable and Shades to accommodate 40 or 50 Horses, situated at the rear of the above Houses, on the corner of German and Howard-streets; if a suitable tenant, to occupy the above as a Tavern, should not offer, they will be let separately for stores and private dwellings. Farms and Lots to be Leased.

To be Leased on a Ground Rent, for ninety-nine years, renewable forever, Sundry LOTS, and Small FARMS, lying on the Frederick Turnpike Road, on the Elk-Ridge Landing Road, and Cross Roads, leading from one to the other: distant not three miles from the city of Baltimore, and commanding a view of the harbor, and bay.

These Lands, are generally in wood; good water is found at a little distance from the surface; and the situation is high, and healthy. As these Lands are laid out in a village, extending from the Frederick Road to the Elk-Ridge Landing Road, a good neighborhood will soon be established; and persons who may wish to shelter their families, from the diseases of a town in summer, may be accommodated with one to twenty acres, affording all the advantages of an agreeable country residence; without an advance of cash for the first purchase. There are two streams of water passing through the Land, which render several of the Lots convenient for Butchers, Graziers, or Cow-keepers.

There is a fine quarry of Stone, and some sand on the premises, so that buildings may be erected cheap. A plat may be seen and the terms made known, by applying to Mr. Sam. Green, surveyor, No. 40, High street, Old-Town; to Mr. Walter Roe, 46, South-street, or to RICHARD CATON, Attorney for the Parties. November 6. d4t-law
