

By Authority.

The subscribers are specially authorized by an act of the last Legislature to dispose of Tickets in the following Lottery, they have also undertaken to draw it.

It is expected the drawing will take place at Fr. George Beant's Tavern, Baltimore county, on the first Friday in May next, and be completed in six weeks thereafter.

An examination of the scheme will satisfy the inquirer that there is very little more than one and an half Blanks to a prize and though the prizes are small when compared to some of the Mammoth Lotteries, yet few Lotteries hold forth greater advantages to purchasers taking into consideration the price of Tickets which is

Only Three Dollars.

The Prizes will be paid agreeably to the Scheme, 30 days after the completion of the drawing. But all prizes which may be sold by the subscribers, will be paid if demanded as soon as drawn.

Prizes in any of the Baltimore Lotteries taken in payment.

For Sale,

A NEGRO MAN about 33 years old, healthy, active, accustomed to driving a carriage and acquainted with the duties of house servant Apply at this office.
April 18. ee4t

30 Dollars reward.

Absconded from my service on Sunday morning the 17th inst a young Negro Man, my property, named Jack (or Jack Martin,) eighteen or nineteen years of age; rather small in size, but strong built, and with large hands and feet; carries his head a little on one side, and his arms extended close to his sides in walking. He can read and write, and is remarkable for a talent in drawing, which he exercises by taking Likenesses in Profile &c.; undertakes to walk the slack wire, with other performances of ingenuity, of which, however, his appearance gives no indication, as he has not even much the air of a house servant.
I have reason to believe that he has taken the road to Baltimore, where he is well acquainted, particularly in Howard and Hanover streets. His dress was a blue Jacket and Trowsers with white buttons, but he probably has the means of changing it, and will doubtless provide himself with a pass. It is supposed that he will endeavor to get to Philadelphia, but he may possibly lurk some days in Baltimore, and as he has left his drawing materials behind him, may, perhaps be discovered in endeavoring to replace those articles. I will pay fifteen dollars for his apprehension in Baltimore, twenty if taken on this side of the Susquehanna, and the above reward if taken beyond that river, and brought to Thomas Rogers, esqr of Baltimore, whose further engagements, in regard to expenses, I will also make good to any person who may go in quest of this Negro. All masters of vessels and others are forbidden from conveying away or harboring the said Negro at their peril.
JOHN KILTY, Annapolis ee
