

For Sale,

A stout, likely NEGRO BOY, aged about fifteen years. He is a good House Servant, and well acquainted with taking care of Horses. Sold for want of employment. Inquire at this office. April 8 e04t

By Authority

The subscribers are specially authorized by an act of the last Legislature to dispose of Tickets in the following Lottery, they have also undertaken to draw it.

It is expected the drawing will take place at Mr. George Beam's Tavern, Baltimore county, on the first Friday in May next, and be completed in six weeks thereafter.

An examination of the scheme will satisfy the inquirer that there is very little more than one and a half Blanks to a prize and though the prizes are small when compared to some of the Mammoth Lotteries, yet few Lotteries hold forth greater advantages to purchasers taking into consideration the price of Tickets which is

Only Three Dollars.

The Prizes will be paid agreeably to the Scheme, 30 days after the completion of the drawing. But all prizes which may be sold by the subscribers, will be paid if demanded as soon as drawn.

Prizes in any of the Baltimore Lotteries taken in payment.

Soap Stone Quarry.

THE subscriber having opened and enlarged his Quarry, is now prepared to raise and deliver any quantity of that valuable stone cut to any shape or length that may be required, not exceeding 10 feet; as its purity and durability have been effectually proved, it is unnecessary to enlarge upon this species of Soap Stone. It is capable of resisting intense heat, and is therefore peculiarly adapted for Sugar-houses, Still-houses, Ovens, Brick kilns and Chimney backs and sides, either for wood or coal. Orders for this article from any part of the continent will be executed with accuracy and dispatch.

From the city of Baltimore application to be made to Mr. JONATHAN HARVEY,
No. 10, South Charles street.
Or the subscriber at the Quarry—orders from a distance must be accompanied with satisfactory reference in regard to payment.

Pine Grove Furnace.

Will be sold at public sale, at the courthouse, in the borough of York, on Thursday, the 19th May next, one moiety, or undivided half, of this valuable estate, situate in Cumberland county, state of Pennsylvania, consisting of a large Blast Furnace; the stack, wheel, and Bellows, have been all lately rebuilt, in the most complete manner, together with a complete set of Iron Flasks, Patterns, and Apparatus for making all kinds of Castings. The several tracts of Land, attached thereto, contain about 7000 acres, more or less, on which are sundry improvements, and a large meadow very convenient to the stables and which affords abundance of excellent Hay for all stock, necessary to be kept on the premises. The stream is constant and sufficiently large for the purpose of Mills; to re-build a Grist and Saw Mill, considerable preparations are already made. The Ore being universally known and admitted to be of superior quality for all kinds of castings, Forge Hammers in particular, renders it needless to say more than that the Bank is apparently inexhaustible. The road from thence to the Furnace is very level, and not more than 600 yards distant. Besides a convenient Limestone Quarry, there is also a very valuable slate quarry, which for several years past, has been used for various purposes in buildings and for tomb and other grave stones, as may be seen in most of the towns within 30 miles of the place. The situation is very healthy and abounds with excellent springs.

An indisputable title will be given to the purchaser on complying with the terms of sale, which will be made known, at the time and place above mentioned.
