Fifty Dollars Reward.
Ran away from the subscriber, living in the
lower end of St. Mary's county, on the 28th
inst. a Negro Man and Woman; the man,
named CHARLES, is about six feet high;
had on when he went away, and took with him,
a striped yarn jacket and trousers, a country
cotton coat and trousers, and a red waist-coat.
The woman, called TERRY, is tolerable spare
made, of a yellow complexion, thin visage,
very much pitted with the small pox; had on
country yarn clothing of the same kind as
Charles; she had also an over coat of coating
cloth of a dark blue, with other clothing that
I cannot describe. It is more than probable
they have crossed the Chesapeake to Cam-
bridge, on the Eastern Shore, or to Easton,
Talbot county, or Newcastle, in Delaware. If
they are both apprehended, I will give the
above reward; if only one of them, twenty-
five dollars.

THE PAPIST MISREPRESENTED AND
TRULY REPRESENTED
One of the best productions of the Rev.
John Gother, so well known in England, by
many excellent works on religious subjects.
This now offered to the public has been in so
constant esteem, especially among the Roman
Catholics in England that it has gone there
thru' at least nineteen editions. The editor en-
tertains no doubt but that it will be received with
equal satisfaction and equal advantage in Am-
erica, where it cannot be denied that there yet
remain many prejudices in the minds of those
who never had any opportunity of knowing or
care of examining the true and genuine doc-
trine of the Catholic Church. This doctrine
is presented in this small work, with equal
exactness and ingenuity, without any super-
fluous ornament: it is left, as it were, to speak
for itself, which is no small proof both of the
sincerity of the author, and of the goodness
of the cause he had undertaken.
It is sold at the book-store of Matthew
Carey, No. 192 Market street, of Patrick
Byrnes, No. 130 ditto, of Samuel Butler, cor-
ner of Market and Charles-streets, and at the
printing office of John W. Butler, corner of
Gay and Water-streets.

Levigated Charcoal Dentifrice
This preparation of Charcoal is warranted
by the proprietor to be entirely exempt from
any acids, which are the basis of the generality
of Tooth Powders: a common use, and which,
though they possess the property of whitening
the teeth in a short time, must by frequent use
chemically destroy the enamel, and thereby
produce the effects which the powders are
employed to prevent.
The Levigated Charcoal Composition Den-
tificice possesses the desirable qualities of ren-
dering the teeth beautifully white, destroying
the factor arising from carious teeth, which so
disagreeably contaminates the breath, and of
stopping the progress of the scurry in the
gums; at the same time it is incapable of ei-
ther chemically or mechanically injuring the
teeth.
Sold (by appointment of the proprietor) on-
ly in Baltimore by EDME DUCATEL,
Apothecary, Chemist and Druggist,
No. 26, Market-street.
Where may also be had,
DURABLE INK,
For writing on linen with a pen, which no-
thing will discharge without destroying the
linea. The utility of this preparation, when-
ever such an article is wanted, need not be point-
ed out. Initials, names, cyphers, crests, &c.
may be formed with the utmost expedition,
and without the incombrance or expense of
any instruments; and will be found to stand
every test of washings, buckings, acids, alkalis,
&c. which oily and other compositions will
not. If written on linen as it comes from
the loom, it firmly stands the bleaching. It is
also a much better standard as indelible criterion
of a person's property, than initials made with
thread, silk, or instruments frequently used for
this purpose.

THE DIRECTORS OF THE
Library Company of Baltimore
Remind the members of the company who
have not yet paid their annual contribution for
this year, that it became due on Monday, the
25th of last month. They have authorized
Mr. James Dawson to apply to all indebted,
and to receive the sums respectively due from
them—and the librarian is also ready to receive
from those who will make payment at the li-
brary. The constitution prescribes, that those
who may not have paid within ten days after
the contribution has become due, shall be fin-
ed one cent for every day's delinquency; and
in consequence of the serious inconvenience
which the directors have suffered from the
tardiness of many of the members, in making
payment, they have resolved, that they will
exact the said fine from all those who may not
have paid before the 3d of August next, and
who were not on the list of delinquents on the
25th of April. To all others, a special notice
applying to their cases, will be delivered by

Baltimore County, ss.
ON application to me in the recess of the
court, as an associate judge of the sixth ju-
dicial district of the state of Maryland, by pe-
tition in writing of Simon Wilmer, of the ci-
ty of Baltimore, an insolvent debtor, praying
the benefit of the acts of assembly for the re-
lief of insolvent debtors, on the terms pre-
scribed by the said acts: a schedule of his
property, and a list of his creditors, on oath,
as far as he can ascertain them, as directed by
the said acts, being annexed to his said peti-
tion, & having produced to me the assent in writ-
ing of so many of his creditors, as have due
to them the amount of two-thirds of the debts
due by him at the time of his application; & I
being satisfied by competent testimony, that
the said Simon Wilmer, has resided within the
state of Maryland, the two preceding years,
prior to his application, it is thereupon order-
ed by me, that the said Simon Wilmer, (by
causing a copy of this order to be inserted in
some one of the newspapers in the city of
Baltimore, every other day for three months
successively, before the 28th day of May next,)
give notice to his creditors to appear before
the county court at the court-house, in the
said county, at ten o'clock, in the forenoon
of the said 28th day of May next, for the
purpose of answering any allegations they
may make, and for the purpose of recommend-
ing a trustee for their benefit, on the said Si-
mon Wilmer, then and there taking the oath
by the act prescribed for delivering up his
property. Given under my hand, this 25d day
of January 1808.

To all my Creditors.
The late failure of Mr. Wm. Lees of Liver-
pool, obliges me to take the benefit of the In-
solvent act. Every one of you are aware that
I have offered to discharge my duty by making
an assignment of my estate for the benefit of
the whole, and from the acquiescence of the
majority, I indulged the hope of being reliev-
ed from a measure very oppressive to my feel-
ings, but am greatly disappointed by two vexatious
and unreasonable lawsuits.
I shall therefore apply to the honorable the
judges of Baltimore county, or some one of
the judges of the said court, in two months
from this date, for the benefit of the insolvent
laws of Maryland. SAMUEL WYDOWN

and the supplement thereto, passed in 1806,
for the benefit of sundry insolvent debtors, to
relieve me from debts I am unable to pay, af-
ter two months from the date hereof
