Four Brick Houses to Rent.

ONE a handsome three-story House, the corner of Charles and Barre-streets, suitable for a large family, at a moderate rent; one other a two-story House, with four rooms on a floor; both these houses have convenient back buildings, and possession may be had immediately; the other two houses are entirely new, well finished, moderate rents, and suited to small families.

Also to rent, for ninety-nine years, renewable, four Lots on Light-street extended on the water, opposite the centre of the Basin; each lot containing 26 feet front and running 80 feet deep, to a 20 foot alley, with privilege of buying out in fee.

Also for sale or to rent, for 99 years, renewable, one, two or three squares (or more, if wanted) of water Lots on the south side of the Basin, lying from opposite Ellicott's wharf, down the edge of the Basin eastward, to amount of two thousand feet. It is needless to say any thing in praise of these water situations for any business that requires navigation; more than that, an inheritance of pure health, and the best drinking water in the world is attached to it.

May 28.

To the Public.

In consequence of the continuance of the court in session, and other circumstances, the sale of my property did not take place on Saturday last: But if not sold at private sale before Tuesday the seventh day of June, will be offered at public sale on the premises—the sale to begin at 3 o'clock in the afternoon. Plats in the meantime may be seen at the following houses—Walker's, near the head of the Marsh market—Henck's, in Gay-St.—Mrs. Griffith's, at Griffith's Bridge—Browning's, by the Hanover market house, and Pamphillion's and Prendeville's, at Fell's Point. Mr. Johnston, who lives in the Brick house on the premises, has also a plat, and will show the plots on the ground.

This property is extremely valuable, being so convenient to every part of the city of Baltimore: and it is laid out in such measure as to render the lots perfectly convenient for building thereon, or for grass lots, or gardens. The terms of payment will be six, twelve and eighteen months with interest. Those who would wish for Lots, would do well to reflect that they will not have an equal chance to get them reasonably should I sell the whole tract to an individual.

Levigated Charcoal Dentifrice

This preparation of Charcoal is warranted by the proprietor to be entirely exempt from any acids, which are the basis of the generality of Tooth-Powders in common use, and which, though they possess the property of whitening the teeth in a short time, must by frequent use chemically destroy the enamel, and thereby produce the effects which the powders are employed to prevent.

The Levigated Charcoal Composition Dentifrice possesses the desirable qualities of rendering the teeth beautifully white, destroying the fetor arising from carious teeth, which so disagreeably contaminates the breath, and of stopping the progress of the scurry in the gums; at the same time it is incapable of either chemically or mechanically injuring the teeth.

Sold (by appointment of the proprietor) only in Baltimore by EDME DUCATEL, Apothecary, Chemist and Druggist, No. 26, Market-street.

Where may also be had, DURABLE INK,

For writing on linen with a pen, which nothing will discharge without destroying the linen. The utility of this preparation, whenever such an article is wanted, need not be pointed out. Initials, names, cyphers, crests, &c. may be formed with the utmost expedition, and without the incumbrance or expense of any instruments; and will be found to stand every test of washings, buckings, acids, alkalis, &c. which oily and other compositions will not. If written on linen as it comes from the loom, it firmly stands the bleaching. It is also a much better as well as indeleble criterion of a person's property, than initials made with thread, silk, or instruments frequently used for this purpose.

Fifty Dollars Reward.

Ran away from the subscriber, at the Patapsco Upper Ferry, in Baltimore county, Maryland, on Tuesday, the 30th of April last, a Mulatto Man Slave named GEORGE, who calls himself GEORGE SEAMOUR: he was raised by col. Dorsey, near Elkridge Landing—he is about 27 years of age, 5 feet 10 or 11 inches high, somewhat knock-kneed, middling stout made, full faced, good teeth, has a scar on the end of his nose, which was occasioned by the bite of a horse when a boy, and another behind one of his ears, which he got in fighting some time past, and a great deal of wool on his head, which he often wears drest and queued with a ribbon; he has a great acquaintance in the city of Baltimore; was bred to the farming business and taking care of horses;—he will endeavour to pass as a free man, and perhaps has obtained a pass or discharge, as a great many of the same family of negroes have been manumitted by Mrs. Dorsey of the city of Baltimore. He had on and took with him suadry clothes, one broad cloth coat, striped plush jacket, brown thick-set pantaloons, white Holland shirt, and half boots and shoes; he also had with him one dark striped nankeen short coat, white Marcellis jacket, and nankeen pantaloons and a good castor hat, besides his working clothes, all of which he may have changed for others: he is very plausible, and has a great deal to say. I will give the above reward to have him secured in any jail on the continent, so that I get him again, and all reasonable charges paid if brought home, by
