Baltimore Water Company.

THE President and Directors of the Water Company, have the satisfaction to inform the citizens of Baltimore, that the Machine for supplying the Reservoir, is now completed, & answers their most sanguine expectations. All that part of the city, to which the pipes from the present Reservoir will extend, may now be accommodated with a regular and constant supply of water; and those persons who may wish to have the water, are requested to leave their names and directions in writing, at the workshops of the Company, on Calvert-street, or with Mr. Davis, the Superintendent at the upper end of Charles-street; and if any repairs or alterations should at any time be wanted, by leaving directions at either of the said places, they will receive immediate attention.

As care will be taken to have the pipes well cleaned immediately, & from time to time as they may require it hereafter it is hoped there will be in future no waste of water, or any person permitted to get a supply from their neighbors, who will not take it from the company, and are in arrears, are requested to call at their office in South-street, and settle their accounts with as little delay as possible.

Notice.

BALTIMORE WATER COMPANY THE President and Directors of the Water Company, considering the necessity of regular and prompt payment, to enable them to comply with their own engagements, which are all for ready money; the loss and delay that has already and must hereafter occur by death and other accidents where credit is given, and the great difficulty & expence of collecting where the transactions are so numerous, have

RESOLVED, That all water rents must be paid half yearly in advance, on the 1st day of July and the 1st day of January, at the office of the Water Company.

That no deduction in water rent can be allowed when the water is stopped in the pipes of conduit for the purpose of repairs, alterations, &c. unless the stoppage exceeds three days at any one period.

Every person on applying for water must pay in advance the sum of ten dollars; when ever the supply pipe is laid, and an account of the expences thereof and water rent up to the next half yearly day of payment is furnished, payment must be made of the balance at the company's office, within three days after the said account is thus furnished, under the penalty of the stoppage of the water and the loss of the ten dollars advanced, and the Company must have the liberty to enter into the premises, take up and remove, if they choose to do so, all pipes, &c.

No person who is or shall be supplied with water is on any account to admit water to be drawn and carried from their pipes or hydrant for any purpose except for the use of their own families, nor willfully to draw and waste the water, under the penalty of having the supply stopped, which cannot again be returned without a new application to the Company, and the payment of a fine of five dollars at the time of applying.

If any rented house supplied with water should at any time for a period not less than three months, be vacant and not occupied, the owner, by giving a statement of the same to the office of the Company, shall have the amount of the water rent deducted, during the said period. All owners of property must be accountable to the Company for water rent, and not the tenant.

Dr. ROBERTSON'S

CELEBRATED STOMACHIC ELIXIR OF HEALTH,

Which has proved by experience, to be the most valuable medicine ever yet offered to the public for curing the Gout, Cramp, and wind in the stomach; also a certain cure for the Dysentery, or Bloody Flux, Cholera Morus, severe gripings, and all other diseases of the bowels, a dose never fails to remove a cold it taken soon after its first appearance. It is also celebrated for carrying off superfluous bile, removing habitual coitiveness, sickness at the stomach, severe head ache, &c. &c.

The following certificates are selected from the many respectable ones lately received by the proprietor, and are now in his possession.

CERTIFICATE, Of Mr. William Julion, carpenter and builder, No. 69, south Fifth street, Philadelphia.

SIR, My wish to promote the interest of superior merit, and to afford consolation to the afflicted induces me to request you will lay my case before the public, as an inconceivable proof of the astonishing efficacy of Dr. Robertson's invaluable Stomachic Elixir of Health.

I do hereby certify, that I was seized most violently with the dysentery, or bloody flux, which reduced me so much, that I was confined to my bed, and became so weak that I could not move without assistance. My situation at that time being so seriously alarming, as no relief could be obtained, I was given over, and even death would have been desirable to me, had not a friend of mine, who by chance called to see me, who had just recovered from a similar complaint, though not so severe as mine. He informed me that he was cured by taking Dr. Robertson's Stomachic Elixir of Health, and advised me to send to you for a bottle. I immediately did so, and by following your instructions given with the bottle, before I had taken half a bottle, I found myself much relieved, and my disorder greatly abated, and by continuing to take it, in one week I was able to walk out, and in less than a fortnight was able to attend to my business.

I therefore recommend every family to be provided with this invaluable medicine, particularly those who live at a distance in the country, where assistance cannot be immediately obtained. As I am convinced that Dr. Robertson's Stomachic Elixir of Health, is the most effectual remedy in the world, I have since recommended it to several of my friends in similar complaints, who have always been relieved immediately after taking it.—Should any person wish to be more fully convinced of my case, I will with pleasure explain it to them by applying to me.

I am with a due sense of the benefit I have received, through the efficacy of your medicine,

Sir, your humble servant, WM JULION.

Md. DYOTT, Philadelphia, July 15th, 1807.

CERTIFICATE, Of Mr. John T. Solomon, Sixth near Race-street, Philadelphia.

SIR, For the good of the public and benefit of the afflicted, I think proper to inform you, that having labored for upwards of six months under a very bad cough, attended with difficulty of breathing, pains in my breast and side, and a sickness at my stomach; having lost all appetite, I became so very much reduced in my strength as to be unable to walk. I was considered in a consumption, and given up for a lost man. In this hopeless situation I had recourse to Dr. Robertson's Stomachic Elixir of Health, and to my great astonishment, before I had taken one bottle, found myself very much relieved. I expectorated a great quantity of phlegm, which has eased me of one of the most violent coughs that ever a man had; I have taken it regularly ever since, and now find myself completely recovered, and shall certainly, for the benefit received, recommend it as far as I can, believing it to be a most efficacious medicine in the above complaint.

I am, Sir, With real respect, Your obed't humble servant, JOHN T. SOLOMON

Mr. T. W. DYOTT, August 22.

CERTIFICATE, Of Mr. Peter Denham, No 278, south Second street, Philadelphia.

DEAR SIR, It is with the utmost satisfaction I inform you of the cure effected by your truly invaluable Stomachic Elixir of Health, as the whole of my family, including myself, being six in number, were violently affected with the influenza, attended with very bad coughs, pains in the limbs, and difficulty of breathing, which continued to increase. I applied to a physician, but his medicines had no effect.—Just at that time, having heard of the cures made by Dr. Robertson's Stomachic Elixir of Health, I determined to try a bottle of it; I did, and its effects exceeded my expectations. The first two or three doses caused me to expectorate a vast quantity of tough viscid phlegm, and so speedily removed every symptom of the cold, that by the time we had taken three bottles we were all perfectly cured, except a weakness that remained, for which I have administered Dr. Robertson's Patent Wine Bitters, and I have found them wonderfully efficacious in strengthening the system, and destroying of worms, as two of my children have voided a vast quantity by taking them, and are now growing strong and healthy. I have since recommended the above medicines to a number of my friends, who have been immediately relieved by taking them.

I am, Sir, With real respect, Your obed't humble servant, JOHN T. SOLOMON

DR. TISSOT'S

CELEBRATED GOUT AND RHEUMATIC DROPS.

The Gout, Rheumatism, Lumbago, and the various disorders of the same nature, are so exquisitely painful, and so difficult to be cured, that they have justly excited the utmost stretch of medical investigation. Some professional gentlemen have excelled in one department of the sciences; others in another. Dr. Tissot particularly has long been renowned for the superiority of his prescriptions in chronic diseases, and the length of time which elapsed during his sole attention to the nature and effects and cure of these affections, render the medicines which he recommended of invaluable importance. The beneficial effects of these drops, have been so often experienced, and their extraordinary efficacy has been attested by witnesses so numerous and so unimpeachably credible, that incredulity itself cannot doubt the virtues of Dr. Tissot's Gout and Rheumatic Drops. Large quantities have already been vendid, and the sale is now become so general, and their certainty in curing the disorders of a chronic nature is so completely ascertained, that certificates of their unbounded utility are now unnecessary. Testimonies of their value, and a volume of attested cases performed by them, may be seen upon application at T. W. Dyott & Co's genuine drug and patent medicine warehouse, No. 57, South Second street, Philadelphia.

The price of Dr. Tissot's Gout and Rheumatic Drops, is only two dollars per bottle, with copious directions. Generous allowances made to those who buy to sell again.

Of the many respectable testimonials of the effects of the above drops, which have been received by the proprietor, we beg leave to annex the following

CERTIFICATE, Of General Ridgely of Hampton.

I certify that having received a blow on my knee, which induced severe pain and swelling, I was advised to apply to Dr. Tissot's Gout and Rheumatic Drops, and on bathing the part with them only a few times, agreeably to the directions, they effected a perfect cure. Another time my wrist was affected with rheumatism to such a degree, as to render my hand for the time useless, when on making application of the same remedy in like manner, the disorder in the course of twenty-four hours was entirely removed.

I therefore from the experience I have had of the efficacy of said medicine, consider it a beneficial act, to recommend it in similar cases to others.

(Signed) C. RIDGELY, of Hampt

CERTIFICATE, Of John Gibson, esq. one of the directors of the Farmers' Bank of Maryland.

I certify that about a year since, my foot received an injury by a fall; in a few hours after it was affected with a most excruciating pain, so that I was unable to walk without crutches. I was apprehensive that this accident would induce a severe fit of the gout, with which I had been frequently attacked. In this situation one of my friends highly recommended and earnestly advised me to apply Dr. Tissot's Gout and Rheumatic Drops. I immediately procured them and made the application; in less than three hours the pain entirely abated which had been so severe, as to deprive me of sleep for several nights. By a few further applications, a perfect cure succeeded. I have frequently since in other cases, both used them myself, and recommended them to others with invariable success.
