WRIGHT'S

Indian Vegetable Pills.

IF, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS

become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

OVERWHELMED WITH THE FLOOD.

In like manner with the human body—if the Skin, Kidneys, and Bowels, (the natural outlets for *useless and corrupt humors,*) become so obstructed as to fail in affording a full discharge of those impurities, which are in all cases

THE CAUSE OF SICKNESS,

we surely can expect no other results than that the whole frame will sooner or later be

OVERWHELMED WITH DISEASE.

As in the first place, if we would prevent an inundation, we must remove all obstructions to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open, and keep open, the Natural Drains of the body.

Wright's Indian Vegetable Pills,

Of the North American College of Health, will be found one of the best, if not the very BEST MEDICINE IN THE WORLD, for carrying out this beautiful and simple theory; because they completely *cleanse the Stomach and Bowels from all bilious humors* and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin, and Kidneys; consequently, as all the natural drains are opened, Disease of every name is literally driven from the body.

☞ CAUTION.—As the great popularity and consequently great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country agents and storekeepers will be on their guard against the many imposters who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a *certificate of agency*, signed by WILLIAM WRIGHT, Vice-President of the N. A. College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate, as above described, will be known as imposters.

The following highly respectable store keepers have been appointed agents for the sale of *Wright's Indian Vegetable Pills*, and of whom it is confidently believed the genuine medicine can with certainty be obtained:

CONFESSION.

I THE SUBSCRIBER, publicly confess that I have been afflicted with a Secret Disease ever since 1823; I had thirteen eminent physicians whose names are now recorded at the French Medical House: some of them abated the disease, but it always returned worse than before, until it carried away both sides of my throat, and pierced the top of the palate. I also lost several bones of my nose and was almost blind of an eye, and my face was covered with an immense quantity of scabs, between which the skin was as red as scarlet, and I was indeed in a most deplorable condition, so much so that the learned professor S. pronounced me incurable. It was obvious to me, then, that a common doctor could not extricate me from the jaws of death—for they all follow the same old *rote*, with their train of mercury, mixtures or pills, invented by ignorance and continued by cupidity, and do no good to any but the venders. Several persons recommended the French Doctor of the Medical House, 16 South FREDERICK STREET, BALTIMORE, as a scientific man and a rare genius in those complaints. I went to him, and he pledged himself to cure me on written guaranty; and he furnished me with one room in his house, as he generally does with strangers—at no cure, no pay. I did not hesitate at all, on seeing so many likenesses of patients who are living evidences of the many wonderful cures he has performed in almost every kind of disease. Then he had my daguerreotype likeness taken, and I took his medicine for about a year, which completely cured me. He had then my other likeness taken, and both are to be seen at his office. If this meets the eye of some wretched being in the grasp of death, as I was, let him fly to this praiseworthy philanthropist, whose deep knowledge of the vital principles which animate the human frame, are known in both hemispheres, and I believe from my very soul (not forgetting that I am on oath) that his exquisite genius will discover as many new and well appropriated remedies, as new diseases may be formed. HENRY BRUMMER.

William Chiswell, vs. Harrison Fitzhugh, Romulus Riggs and Wm. H. Lane. } *In Montgomery County Court, sitting as a Court of Equity. November Term, 1845.*

THIS BILL, in substance, states that Harrison Fitzhugh, of the State of Virginia, pretending to have a claim to all the land which a certain William H. Lane inherited from his father, Hardage Lane, lying and being in Montgomery county, State of Maryland, did contract with a certain Solomon Davis, in his life time, to sell him the said land, and obligate himself to convey the same to the said Davis upon the payment of the purchase money: that said Solomon Davis, in consideration thereof, did, on the 16th day of November, 1821, execute to the said H. Fitzhugh two single bills for $300 each, one payable on the 1st day of April, 1822, and the other on the 1st day of January, 1822: that Solomon Davis departed this life in the year 1820, and that letters of administration upon his estate were granted to Thomas N. Davis and Mary Davis, his widow, who, since, intermarried with a certain George M. Fry, and that the complainant, together with a certain John Sprigg, since deceased, became the securities of the said administrators in their administration bond: that suits were instituted upon the said single bills, and judgments obtained against the administrators of said Solomon Davis, at November term, 1824: that fifas were issued upon the judgments aforesaid, and a return of *nulla bona* made thereon by the Sheriff of Montgomery county: that Harrison Fitzhugh assigned the said single bills, upon which judgments aforesaid had been rendered, to a certain Romulus Riggs, who instituted suits upon the bond of said Thomas N. Davis and Mary Davis, administrators of said Solomon Davis, and at March term, 1829, recovered judgment against the said complainant, one of the securities as aforesaid, for the sum of six hundred dollars, with interest thereon from the time they were executed; and that execution issued against complainant's property to pay said judgments; that the said Harrison Fitzhugh, to whom the said single bills had been given by said Solomon Davis, had no right or title to said land of said Wm. H. Lane, and could not make a deed for the same. The bill further states, that the consideration of said single bills had entirely failed, and that neither Harrison Fitzhugh nor Wm. H. Lane could make a good and sufficient title to said lands: that the said defendants are non-residents, and live beyond the jurisdiction of this court: that an order of publication may be granted to complainant, and that defendants may be notified to appear in this court, in person or by solicitor: that upon failure to do so, the bill and exhibits may be taken *pro confesso*. It is, therefore, adjudged and ordered that the complainant, by causing a copy of this order to be inserted in some newspaper published at Rockville, once in each of three successive weeks, before the 1st day of April next, give notice to said absent defendants of the object and substance of this bill, and warn them to appear in this court in person or by solicitor, on or before the 1st day of July next, to answer the premises, and show cause, if any they have, why a decree ought not to pass as prayed.
