THE FLORIDA CONTESTED ELECTION. The House of Representatives on Saturday decided the question arising out of the contested election of Representative in that body from the new State of Florida, against the right of the returned member, E. C. Cabell, (whig,) and admitting to his seat the petitioner against him, Wm. H. Brockenbrough, (democrat.) With some experience, and more knowledge, of the influence of party considerations in determining questions of this nature in popular bodies, we should be satisfied, by the state of *the vote* on this matter, had we no other grounds for the opinion, that the decision of the House is one not borne out by the evidence in the case. Had it been so, we should not have seen the House of Representatives, with a majority of some *seventy votes* in favor of the ruling party, affirming the right of one of their own party to a seat in that body by a majority of FOURTEEN votes only. And even that majority, it will be perceived, was reduced to SIX, when tested by the question of *reconsideration*. [*Nat. Intelligencer, of Monday.*

A NEW IRON FURNACE.—A new Anthracite Iron Furnace, called the "Henry Clay Furnace," and owned by Peter Haldeman, Esq., was put in blast near Columbia, Pa., last week. The engine, of 60 horse power, was built by Mr. John Watchman, of Baltimore, and is said by the Columbia Spy to be one of the best ever made in the United States.

Peruvian Guano.

To the Editors of the Baltimore American.

GENTLEMEN.—I have seen in your paper of the 10th instant an advertisement signed F. & W. Rodewald, offering for sale part of a cargo of GUANO, imported into New York in the Caroline Amelia "*as Peruvian from the Chincha Islands, and warranted equal to any ever brought to this country.*"

The Caroline Amelia was loaded *under a Chilian license nearly a thousand miles from the Chincha Islands*, and the quality of her cargo is very inferior to that obtained on the coast of Peru. The only Peruvian Guano imported into the United States, is shipped by the Guano Company of Lima, under the authority of the Government of Peru, and will come to my consignment at New York, or to Mr. SAM'L K. GEORGE, of Baltimore. *None but such as is thus imported is Peruvian.* Farmers must be cautious in purchasing to ascertain the origin of what they buy; otherwise they may lose not only their money, but their crops; for much that has been gathered on the coast of Chili has been found to be *entirely worthless.*

Respectfully, your ob't serv't,
EDWIN BARTLETT, Agent
for the Peruvian Gov't and Guano Co.

EXTENSIVE HAT, CAP, AND FUR Establishment.

North side of Bridge St., between Congress & High Sts. Georgetown, D. C.

WM. F. SEYMOUR, Proprietor of the above establishment, having lately newly furnished, remodelled, and enlarged his store room, for the purpose of enabling him in future to conduct a larger and more extensive business, would most respectfully announce to his customers in town and the adjoining counties of Maryland and Virginia, that he has recently returned from his usual semi-annual visit to New York and Boston, with a large and choice selection of every description of goods in his line, comprising a varied and general assortment of the most beautiful styles, of rare and superior finish, than can be found elsewhere in the District.

Having made his purchases exclusively for cash, with a strict personal attention to his business, added to a practical acquaintance with it, and at not more than half the expense sustained in the adjoining city, he flatters himself that he has advantages superior to any other establishment in this District; and, in view of the above, purchasers are requested to examine all the markets for themselves, and then call on him, and they will be convinced that his goods are superior and lower than they have seen elsewhere. As he is determined to sell cheap, and maintain his reputation for keeping constantly on hand the most fashionable and general assortment, he has now ready for inspection and sale a large stock of—

AUTUMN HATS,

modelled after the beautiful pattern of Leary & Co., of New York, which, by its symmetrical proportions, and becoming shape, has taken precedence over all other styles introduced in that city, and from indications not to be mistaken will be the one universally adopted by the fashionable in this District for the present season: as Nutria Beavers, Mole Skin, Cassimeres, Russia and Silks, got up of the finest fabrics and beautiful lustre, with brims scientifically curled to suit each individuals taste. Hats neatly finished to order, by a peculiar art known to himself, to fit with comfort, in the most difficult cases, in two hours notice. A large assortment of—

CAPS,

of every variety of style and material, as gentlemen's travelling cloth, octigon, hat-shape, soft finish, Spanish, hunting, Prussian, Hessian, cloth fur trimmed, guard, ring, hair seal, fur seal, muskrat, glazed of all patterns and prices, silk velvet for infants, of beautiful patterns; and many other kinds. Arrangements have been made with the manufactures and importers to keep up the assortment at the present *cheap* rates for the season.

MUFFS AND LADIES' FANCY FURS, some new and uncommon kinds, in endless variety, now on hand, which the subscriber pledges to sell as low, or lower, than they can be purchased for in the District.
