Ague & Fever or Chills and Fever!!

YOU will not have Chill-shake or Fever after the first dose of Medicine, if you strictly follow the directions of DR. GRAHAM'S VEGETABLE SPECIFIC PILLS. The value of these Pills is now universally known; every day the field of their usefulness is extending; they are highly approved of and prescribed by the most eminent physicians, and they are the only certain remedy in Ague and Fever. They are rapidly doing away those nostrums, such as Panaceas, Blood Pills, Powders, &c. which are composed of Corrosive Sublimate, or some of the most powerful and poisonous preparations of Mercury in disguise; if the patient submits to their use, his system becomes so poisoned, that he may soon prepare for an untimely grave.

Dr. GRAHAM, a Regular Physician, declares on oath, his pills are purely Vegetable, without Mercury, Quinine, Arsenic, or any Poisonous Drug. They operate minutely upon the Liver, correcting the bile and gall bladder; removing all obstructions to a healthy secretion of bile, imparting cheerfulness to the mind as well as tone and vigor to the whole constitution. 9,000 cures in one year in three States. HUNT'S LINIMENT.

GREAT BARRINGTON, Berkshire Co., Mass. January 9, 1847.

CURE OF CHILBLAINS AND LAME BACK.—*George E. Stanton*—SIR: We have used your External Remedy, Hunt's Liniment, for CHILBLAINS, and in all cases it has made a permanent cure. We have also used it for a Lame Back when every other medicine had failed, your's gave instantaneous and permanent relief. Yours, &c.

TOOTH ACHE AND SWELLED FACE CURED BY ONE APPLICATION.

NEW MARKET, Frederick, Co., Md. January 10, 1847.

Mr. Stanton—SIR: My little daughter was visiting a few evenings since and took cold, it settled in one of her teeth, one of the Superior Moler. Her face became very much swollen and very painful. We tried every thing and all to no effect. I have just received one box of your Hunt's Liniment, and I gave it a trial. We bathed her face and put a little on cotton, and put it in her tooth. It operated like a charm; in 15 minutes she fell asleep and when she awoke the pain had entirely left her, and she was perfectly well. Yours truly,

HAMILTON STIER.

A case of SPINAL AFFECTION given up as hopeless by skillful Physicians, and cured by the use of Hunt's Liniment.

ROCKVILLE, Vernon, Conn. July 18, 1846.

SIR—My son Charles has been for the last eighteen months a cripple, having lost the use of his limbs entirely from disease of the spine. In the month of January, 1846, he was first attacked whilst walking across the room. He then lost gradually the use of his limbs, and became completely paralyzed, and continued in that state until the first day of June last. From the time he was taken, we tried every means to restore to him the use of his limbs. We employed the most skillful physicians in this section of the country; they all united in the opinion that he could not be helped, and we depaired of ever seeing our son well again. On the first of May he began to decline, and rapidly grew worse, until a kind Providence led us to the use of your wonderful external remedy, Hunt's Liniment. We had not applied but one bottle, when we perceived he could move his feet. Before he had used four bottles he was able to walk, and is now out of doors to play, and a well and healthy child.

Signed, C. F. HALL.

This is to certify, that we are personally acquainted with Mr. Hall, and cheerfully bear testimony to the truth of his statement with regard to the wonderful cure of his child.

HUNT, McLEAN & CO.

Remember this Liniment is sold at the extraordinary low price of 50 cents a bottle.—Who would hesitate when certain relief is to be had for so small a sum?

McAlister's All-Healing OINTMENT.

THINK OF THE FOLLOWING FACTS:

1st. That five-eights of all we receive into the stomach, pass off through the pores of the skin, in *Insensible Perspiration*.

2nd. That the *Skin* evacuates more matter than the Lungs, Kidneys and Bowels put together.

3d. That the *Skin* discharges more matter in twenty-four hours, than the Bowels do in 14 days! and that by severe exercise, a man will lose three, four and even five pounds in one hour.

4th. That the Creator pierced the human cuticle with pores or small opening to the almost incredible number of 500 MILLIONS, making this the GRAND OUT-LET of all the redundant matter of the body.

5th. That through these pores are constantly exuding the *old, altered* and *worn-out* particles of the *Blood*, the *humors* of the body and the *waste* of the system.

6th. That to stop up the pores, twenty-four hours would cause instant death.

7th. That sudden changes of weather and exposure to cold, close these pores in part, and hence the long catalogue of diseases over the land.

8th. That as the skin is the medium for evacuating all the humors of the body, we see the profound folly and absurdity of resorting to pills, drugs and other mixtures, to cure the great majority of diseases produced by checked perspiration.

9th. That until September, 1844, there was no medicine before the public that had power to restore the *Insensible Perspiration*, by imparting vitality and nervous energy to the skin.

10th. That McALISTER'S ALL HEALING OINTMENT is that medicine, and which, by possessing this power, is effecting more good than any five or even ten remedies in this country. Price 25 cents a box.

☞ Also, McALLISTER'S HAIR OIL, extracted from and possessing the same medical properties as the Ointment. Price 50 cents a bottle.
