EVERY PRIZE FLOATING THE NEXT DRAWING!!!

EIGHTEENTH REPORT

of the drawing of the

GRAND STATE LOTTERY.

No. 13676, a prize of		$100
4685, a prize of		50
And 198 prizes of		12 each.

When it is recollected that out of the stupendous amount of $187,826 contained in this splendid scheme, only $2526 escaped at this drawing, it may be considered as an insignificant one indeed. The peculiar attractions of this magnificient lottery would seem to increase geometrically as the drawings progress.

Only two more drawings now remain to complete the distribution of the following brilliant prizes, all of which are now floating and of course liable to be drawn at any time, viz—

1 prize of	$100,000
1 prize of	20,000
2 prizes of	10,000
1 prize of	5,000
7 prizes of	1,000

Besides a multitude of 100s, 50s, and 12s. Amounting in the aggregate to the overwhelming sum of 135,300 DOLLARS!! Besides the unparallelled inducements which this magnificient lottery presents to adventurers, the fact that the payment of all its prizes is guaranteed by the state of Maryland, is a circumstance, which entitles it to superior consideration.

For tickets and shares, of which a few remain still unsold, warranted undrawn, apply or send forthwith to

CONINE'S, Fortune's Home,
No. 32, Market street, near the Market.

PRESENT RATE:

TAKE NOTICE!

That the next drawing takes place on Thursday, the 13th of May, and the remaining one it is expected will be in a few days after.

☞Orders for tickets or shares from all parts of the United States will receive at CONINE'S the same prompt and faithful attention as if personal application were made. Address

THAT VALUABLE FARM lying in Pan bury, and situated on Great Choptank River, the property of Pollard and Christopher Birckhead. This farm contains between five and six hundred acres of land, about two fifths is very fine timber, and within two miles of an excellent landing—the balance is cleared, and the soil well adopted to the growth of wheat, corn and tobacco. Any person desirous of realizing property will find it to their advantage to view the farm; as I am certain so great a bargain has not been offered for some time, and that will yield such a per cent.

If this farm is not sold at private sale before the third Tuesday in May next, it will be then offered to the highest bidder, at Mr. Lowe's tavern, in the town of Easton, between 10 and 4 o'clock. It is unnecessary to say any thing further, as I presume those who wish to purchase will view the property, when it will be shewn by the subscriber, living near the farm. The terms are 12 and 24 months credit, bond with approved security, interest from the day of sale, and possession given on the first day of January 1825; with the previlege of seeding wheat this fall. Valuable Land for Sale.

The subscriber offers for sale the Farm called

"WARD'S GIFT,"

beautifully situated within two miles of Centreville, immediately on the Post Road, and adjoining two Grist Mills;—it contains about four hundred and ninety-four acres of land, with a plenty of timber and fire-wood. This farm offers many advantages rarely to be met with, viz.—there runs quite through the farm a large meadow, which with little labour might be made to produce a large quantity of Timothy and Herd Grass; and through which there runs an inexhaustable stream of water. The soil is well adapted to the growth of corn, wheat, clover and tobacco; it is elevated, yet level, and requires but very little ditching. The improvements are a two-story Brick Dwelling House, near which there is a brick well of excellent water, Kitchen, Quarter, Corn-house, a tolerable good Stable, and the frame of a large Barn, out of which might be made a very commodious farm house. Also a very fine apple and peach orchard, with well selected fruit.

It is unnecessary to say any thing further, as I presume those that are disposed to purchase will view the premises, which will be shewn by Mr. H. Hardcastle, jun. living on the farm. For terms, which will be made very accommodating, apply to the subscriber, near Easton.

All charitable institutions in the U. States and the poor, will be supplied gratis.

If the citizens of the principal towns, will appoint an agent to order and distribute this medicine to the poor, it will be supplied.

This medicine is celebrated for the cure of the following diseases, "scrofula or king's evil, ulcerated or putrid sore throat, long standing rheumatic affections, cutaneous diseases, white swelling, and diseases of the bones, and all cases generally of an ulcerous character, and chronic diseases, generally arising in debilitated constitutions, but more especially from syphils, or affections arising therefrom; ulcers in the larynx, nodes, &c. And that dreadful disease occasioned by a long and excessive use of mercury, &c. It is also useful in diseases of the liver."

CERTIFICATES.

I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr. Swaim's Panacea, and I do believe, from what I have seen that it will prove an important remedy in scrofulous, veneral and mercurial diseases.

N. CHAPMAN, M. D.

Professor of the Institutes and Practice of Physic in the University of Pennsylvania.

I have employed the Panacea of Mr. Swaim in numerous instances, within the last three years, and have always found it extremely efficacious, especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.

To Sportsmen and Farmers of the Eastern Shore

CHANCE MEDLEY,

The celebrated and 'high bred horse' which obtained 'the first premium at the Cattle Show in Easton, in the autumn of 1822,' will stand the ensuing season at Easton the first Tuesday in April, and the succeeding Tuesday at Denton, in Caroline county, and thus regularly through the season, at the above places every other Tuesday—at Wye Mill on every Saturday, and the rest of the time at my farm near the Old Chapel—He is a handsome grey, fifteen and a half hands high and nine years old this spring—The pedigree and established character of *CHANCE MEDLEY* entitle him to the particular attention of gentlemen who wish to improve their stock: However, if required, it shall be given in Hand-bills hereafter—Mares from a distance can have pasturage, and if required, grain on moderate terms.

N. B. Terms are ten dollars the season; five dollars the single leap, and twenty dollars to insure—and in every case 50 cents to the Groom
