According to the way  
I count the extra days of  
this man's service, he  
had one day in March  
1864 and twenty two days  
in November 1865 or a  
total service of 1 year 7  
months and 23 days.

The Reviewer calculates  
the extra days one one  
year and seven months  
differently.

I return this for some  
part of ruling as it is pre-  
sumed that accuracy in  
the computation Chief, Board of Review.
